HARRELL

Carey William Harrell, 58, of 1600 N. Road Street died Tuesday at 8:20 p.m. in Norfolk General Hospital.

The body was removed to Twiford's Memorial Chapel pending completion of arrangements.

A native of Chowan County, he was owner/operator of Harrell Sewing Machine Company and a member of Rocky Hook Baptist Church. He was a veteran of the U. S. Navy, having served in World War II.

He was the son of Mrs. Eunice Bunch Harrell Johnson of Edenton

and the late Augustus Moore Harrell, and the husband of Mrs. Beulah Williams Harrell.

Besides his wife and mother, he is survived by a daughter, Mrs. Eunice Etheridge of Edenton; two sons, Carroll Harrell of Sunbury and Wayne Harrell, U. S. Navy, Virginia Beach, VA; a sister, Mrs. Mildred Perry of Elizabeth City; a half sister, Mrs. Lillie Hunter of Hertford; a brother, Ray Harrell of Chesapeake, VA; two half brothers, Jessie Harrell of Tyner and Walter Harrell of South Carolina; and seven grandchildren.

Bob Jordan, a Democratic candidate for Lt. Governor, visited on the lawn of the Perquimans County Courthouse last Thursday. Jordan, a native of Mt. Gilead, NC, commented that Perquimans County was his

12th campaign stop-over in three days. "I feel very positive about the Lt. Governor's race at this time," he said. Jordan is pictured above talking with several of those gathered to meet him at the courthouse.

purchasing equipment, meeting with fund raisers, meeting with salesmen and others. Telephone contact in the county, North Carolina and Virginia, necessitates a telephone hookup in the band director's office. These improvements would allow the band director to give more time for extra help to students.

In the five and one-half years our band has been performing, our students and teachers have produced an award-winning program; our band is respected all over eastern North Carolina as well as in Virginia. It is a credit not only to our schools,

but also to our county. The high school band has grown from 18 members in 1978 to nearly 100 today.

With two other schools, this number is a large percentage of our school students. Even with this success, our students and teacher wish to improve and are only lacking in facilities. Without facilities, limits are put on them and prove to be discouraging to both students and teacher.

Discouragement produces a lack of motivation; a lack of motivation produces failure. Vote YES for new school facilities on May 8th.

Dem. Party schedules regional hearings

The North Carolina Democratic Party will take the first step in drafting its 1984 platform when it holds regional hearings on Tuesday, April 24, at 8:00 p.m. These six regional hearings will allow Democrats from throughout the state to offer their suggestions and ideas about the positions and the direction the Party should take on a wide range of issues.

North Carolina Democratic Party Chairman, David Price, called the platform "a statement of the Party's guiding principles and values. It represents the Democrats' vision of the kind of future we want for North Carolina. It reaffirms our commitment to attracting new jobs, improving our schools, strengthening our farm economy, protecting our environment, and guaranteeing a

secure and independent life for our senior citizens."

The North Carolina Democratic Party revises its platform every two years. The April 24 public hearings are the first step in the process of revising the platform. The hearings will be chaired by members of the State Party Platform Committee, which will incorporate comments from these hearings into a draft platform. The final version of the platform will be adopted at the state Party convention in Raleigh on June 16.

The location of the first and third congressional district hearing is Pitt County Commissioners Auditorium, County Office Building (2nd floor), 1717 West 5th Street, Greenville.

Anybody wishing to testify at one of these hearings should contact his or her district contact person or Everett Ward at state Democratic Party headquarters (919-821-2777).
