## Edmisten wins Democratic nomination

By JANE WILLIAMS

Rufus Edmisten captured the state's Democratic nomination for governor by a narrow margin Tuesday, during the second primary which pitted him in a run-off with Eddie Knox.

RUFUS L. EDMISTEN

State-wide estimates show Edmisten with 51 per cent to 53 per cent of the total vote.

In the May 8th Democratic Primary Edmisten led the field with the most votes, however he did not receive enough votes to gain the Democratic nomination.

Former Charlotte Mayor Eddie Knox held the lead by a narrow margin for his bid for Democratic Candidate for the Governor's seat in Perquimans County until the West Hertford Precinct reported their totals, which boosted State Attorney General Rufus Edmisten into the top position with 508

votes to Knox's 487 for the county.

Across the state the race remained "too close to call" until almost all counties reported.

Voter turnout across the state was expectedly low, with 1015 people voting in Perquimans County.

In other state-wide contest John H. Carrington defeated Frank Jordan in the race for Republican nomination for lieutenant governor, and John Brooks, the Democratic incumbent running for re-election as Labor Commissioner, defeated Richard Barnes for that nomination.

## Downtown Hertford to gain new look

By JANE WILLIAMS

Downtown Hertford will be gaining a slightly different look within the next few months, due to a little switching around and a name change.

The switching around involves the location of Gregory's 5 & 10 Cent Store and White's Dress Shop. Within the next few months the two stores will be exchanging places, allowing Mr. and Mrs. Willie Ainsley owners of Gregory's to enjoy a little slower pace of life, and allowing Irene Meads, Proprietor of White's Dress Shop, more, much needed, space to display her clothing lines.

Meads said that she was "very happy at the prospects of having more space for her shop. I'm really happy about having additional space for dressing rooms and clothing

displays."

The Ainsleys plan to continue with their picture framing business, along with stocking confectionary items and office supply materials.

The new name on the block will be that of Eagles Stores, which is currently P.H. Rose.

The Hertford Store was purchased, along with 52 other P.H. Rose Stores, in January by Variety Wholesalers, Inc. of Raleigh.

According to Jim Minton, Senior Vice-President of Marketing and Operations the store is already in the process of changing names.

"We plan to have a variety mix of merchandise, and will make every effort to improve on the merchandise that the store carries," Minton said.

The Eagles Store is managed by Mrs. Katherine Nelson.

## Bethel Fire Dept. receives grant

One hundred and fifteen (115) volunteer fire departments in North Carolina will receive matching fund grants this spring as part of the Rural Community Fire Protection Program. Grant recipients were announced this week by James A. Summers, Secretary of the Department of Natural Resources and Community Development.

In Perquimans County, the Bethel Volunteer Fire Department will receive \$500.

"North Carolina received \$73,000 in federal grant funds for the program this fiscal year," said Summers. The money will be used to purchase a variety of firefighting equipment ranging from "turn-out gear" (helmets, coats and boots) and hoses, to pumps and pumper trucks.

"This is the seventh year that we have worked with the U. S. Forest Service to administer this program," Summers said. "These fire departments provide an essential

service to our citizens, our communities, and our natural resources."

H. J. "Boe" Green, director of NRC's Division of Forest Resources, explained how the grant program works. "The fire departments send their applications to us, and the applications are then scored using a formula developed by the U. S. Forest Service and the Division of Forest Resources," said Green. "The fire departments are required to show they need the funds and that they will be able to match the grant, dollar for dollar."

"Among the program requirements is that the population served by these departments be less than 10,000 people," added Green. "The maximum amount a department can receive is \$2,000. This upper limit allows the grant monies to be spread out among more departments, therefore helping more communities."

## Board offers special summer programs

The Perquimans County Board of Education will be offering a variety of enriching summer activities for students in grades 1-10 this summer. All sessions will be presented on a non-credit basis. Enrollment will be limited; with students enrolled in the order by which their applications are received.

Although no bus transportation will be provided, breakfast and lunch will be provided at no cost to the summer school participants who are enrolled in morning courses. Only lunch will be offered to those students attending afternoon courses.

Part two of this correspondence obtains the titles of the courses, course descriptions, dates offered, fee structure, maximum enrollment, and time presented. Please read part two carefully prior to making your decisions concerning summer school.

Part three is the application page for the summer courses. Please note that students may or may not be able to enroll in more than one course depending upon the courses selected. The tuition fee listed is per course. Completed applications accompanied by a check made payable to Perquimans County Board of Education for the full tuition amount should be returned to your child's principal.

Please note that June 4th is the deadline for your application. In the event of insufficient enrollment or courses reaching maximum enrollment, your check will be returned.

Notification of applications accepted will be made by phone or mail. No refunds will be made subsequent to the first day the class is offered.

## PCHS graduation set for Friday

By JANE WILLIAMS

Ninety-two high school seniors from Perquimans County will step in unison into a new life on Friday night during graduation exercises at Perquimans County High School.

Representing the Class of 1984 as Valedictorian will be Teresa Ann Schallock, daughter of Mr. and Mrs. Wesley Schallock of Hertford. Class Salutatorian is Chris Mansfield, son of Mr. and Mrs. John Mansfield of Hertford.

According to personnel at the high school, both students have not only excelled in their studies, but have given of themselves in various other activities throughout their high school careers.

Teresa was selected to attend Governor's School in 1983, and has served as Vice President of Finance for the Junior Achievement program at the school.

Chris has served this year as President of Junior Achievement and as secretary of the Beta Club.

Both students were selected by their classmates as most likely to succeed and most intelligent.
