

# SPORTS & SCHOOL

Dozier's Florist was the sponsor of the winning team for tee-ball this summer through the Perquimans County Recreation

Department. The team coached by Paul Smith, Jr. and John Elton Hurdle, maintained their first place standing throughout

the season losing only one game to Larry's Drive-Inn. Ace Hardware also sponsored a tee-ball team this year.

## Skating trips set for summer

**Spinning Wheels**—Ages 5-15 may sign up each week to go skating in Elizabeth City on Wednesday mornings. Fee is \$2.50 without skates and \$2.00 with skates.

**Youth Soccer**—Boys and girls ages 6-15 may sign up to play soccer this fall. Deadline is August 24, 5:00 p.m. Fee is \$7.00. There will be an organizational meeting, Thursday, August 30, at Winfall Central Elementary at 5:30.

**Midget Football**—Register now! Players 9-13 may sign up. Nine year olds must weigh at least 100 lbs. Thirteen year olds must weigh under 100 lbs. All other players must weigh between 70-130 lbs. Fee is \$10.00

The Perquimans County 14-15 year-old All-Stars were in the state play-offs by Bladen County 14-9. Perquimans had the lead throughout the game only to lose it in the last inning.

**Break Dancing lessons** for all ages—Sign up at the Recreation Department starting August 2-13. Lessons are taught Monday and Wednesday afternoons 4:00-5:15

at the Recreation Department. Classes start August 13 and continue through Sept. 5, for a total of seven classes. Fee is \$7.00 per person. Class size will be limited so call now to register.

**Cheerleading**—Ages 9-12 may register to be cheerleaders at the Midget Football games. Fee is \$7.00.

Thank you—I would like to thank all the Foster Parents for their time and hospitality during the state playoffs. Without people like yourself the tournament could not have been possible. I feel all the kids and parents from Chatham County will remember last week as one of the best ever.

## Completes program

Martin A. Chobot, son of Mr. and Mrs. Edward Chobot of Route 1, Hertford was among thirty North Carolina rising high school seniors who have completed a two-week summer program in nuclear science and technology conducted in July by the Department of Nuclear Engineering at North Carolina State University.

Science, North Carolina Department of Public Instruction. Classes taught by Stam and other nuclear engineering faculty members introduced the students to nuclear science and its application to technology and medicine.
