AADA finalizes banquet plans

The Albemarle Area Development Association met Thursday night at Overton's in Edenton for the regular meeting.

Hobie Truesdale, president, announced the final plans for the annual Industrial and Community Development Awards Banquet. It will be held in Elizabeth City at the Kermit White Continuing Education Building on Wednesday, December 5, at 7 p.m.

The guest speaker will be the North Carolina Commissioner of Agriculture, the Honorable James A. Graham.

Mr. Truesdale announced that tickets can be purchased from members of the Albemarle Area Development Association or they

will be available at First Colony Farms office in Creswell. You can phone for tickets at 1-797-4371 or at Miles Jennings, Inc. in Elizabeth City at 1-335-0861.

The election of officers for the 1985 year was conducted, with the following being elected, President, Pete Lacy, Pasquotank County; Vice-President, Ralph Holder, Dare, County; Secretary, Patsy Miller, Perquimans County and Tom Patterson, Pasquotank County.

New officers will be installed in January. The evening's program was presented by Sam Noble of Chowan County, the topic of his program was on waste treatment plants.

A ribbon-cutting was held Saturday in Hertford for This & That Crafts. The new shop is located in the old Hertford

Post Office. Pictured left to right are Chamber of Commerce President, Shirley Perry; Chairman of the Perquimans County Commissioners, Joe Nowell; Hertford Mayor, Bill Cox; Shop owner Kathy Egr and husband, Dan; Shane Egr and Lois Lane, clerk. (Photo by Monica Roach)

Savings Bond sales high

Sales of Series EE Savings Bonds in Perquimans County during July-September of 1984 totalled \$8,213,000. Total sales for the first nine months amounted to \$24,629,000 according to R. L. Stevenson, Volunteer County Chairman.

July-September sales of U. S. Savings Bonds in North Carolina amounted to \$13,689,597. Sales for the first nine months of 1984 amounted to \$41,050,314, up almost one percent from a year ago. This represents 65.9 percent of the state's dollar goal of \$62,300,000.

Nationally, sales for the period January-September amounted to \$3.07 billion, the highest for the nine-month period since 1980. January-September redemptions totalled \$4.9 billion, four percent above the same period a year ago.

Except for last year's \$4.7 billion, redemptions were the lowest for any January-September since 1975. With more

than \$73 billion in Savings Bonds outstanding, the bond program is saving the Treasury, and taxpayers, nearly \$2 billion annually in interest costs on the debt.

The market-based interest rate for Series EE Savings Bonds issued between November 1, 1984 and April 30, 1985 is 10.94 percent for their first semiannual interest period.

This is the fifth semiannual rate to take effect since market-based, variable rates were introduced on November 1, 1982, and represents a significant increase from the May-October rate of 9.95 percent.

The rates are changed semiannually, in November and May. When combined with previous market-based rates, the average yield for the five periods is 10.00 percent. This average is part of the market-based formula only for eligible bonds issued on or before April 30, 1983.
