## DAR sponsors essay contest

February will be designated as American History Month and the annual observance by the Edenton Tea Party Chapter, NSDAR, is sponsoring an essay contest and having the first place winners attend the February DAR meeting to read their essays to the members, parents, teachers and interested friends.

Mrs. Marguerite Burch, American History Month Chairman, conducted the contest in the schools of Chowan and Perquimans County. Fifty essays were selected by the classroom teachers to be judged.

The topics were: "The Contributions of Black Soldiers or Patriots During the Revolution" or "The Statue of Liberty — The Lady With a Lamp."

The first place winners will be guests of the chapter at Boswell's Restaurant and will receive certificates of award on February 13.

The contest is sponsored annually for students in grades five through eight. The DAR aims to encourage patriotism, provide further motivation for children to become familiar with historical events, and promote growth and appreciation of our American Heritage.

The original essays have been sent to the District Director to be judged on higher levels.
