Mansfield named president

The North Carolina Taxidermists Association has elected Ervin Mansfield of Hertford, North Carolina, its President for 1986. A Social Studies instructor at Northeastern High School in Elizabeth City, and part-time taxidermist, Mansfield was involved in the formation of the NCTA in 1981. Since that time he has been actively involved in all its activities; serving three years on the Board of Directors and as Vice-President in 1985. From those positions he has worked tirelessly to keep NC taxidermists informed about the NCTA and its efforts to promote the art of taxidermy and quality workmanship; and to impress on the Wildlife Resources Commission, the mutual interests between the commission and taxidermists in wildlife conservation across our state.

For him, taxidermy began as a hobby and a personal challenge. Having one hand makes his accomplishments even more significant; for his hobby has mushroomed into a part-time enterprise—Quality work is his only advertisement. Participation in numerous seminars conducted by the nation's foremost taxidermists at Roxboro, N.C. each April has proven beneficial in improving technique and the quality of work from Bear Swamp Taxidermy. He and his partner, Bill Newbern, have gained recognition as ribbon winners in most categories in State, Regional, and National levels of competition.

Social Services to hold food distribution day

The Perquimans County Department of Social Services will receive the county's allocation of cheese, butter, flour, corn meal, dry milk and rice in March for distribution on March 26, 1986. The distribution will be held at the Hertford Ice Plant and will begin at 1:00 p.m.

As has been the requirement in the past; this distribution will be on a "first come, first serve" basis. During past distributions, we have noted that many individuals have claimed a disability and have not been able to stand in line. All households with disabled adults in them should contact a neighbor or friend to pick up their commodities for them—being sure to sign the form correctly when using a representative. If this cannot be done, the person who is head of household should talk with the Director of the Department to look into alternatives.

Food stamp recipients will be automatically eligible and will be mailed an application card which they must bring to the Ice Plant in order to receive the USDA donated foods. All other low-income families must pick up an application blank at any one of the following locations: Department of Social Services, Health Department, Economic Improvement

Council and Catholic Social Services. Applications will not be available at the distribution site. You may pick up an application form at the above locations on or after March 17, 1986.

The distribution of USDA commodities will begin at 1:00 p.m. on Wednesday, March 26, 1986 at the Ice Plant on Grubb Street in

Hertford. A rain date has been scheduled for March 27, 1986 at the same location and time.

No cars will be allowed on the roads leading into or out of the Ice Plant property. Please remember to park only in an authorized parking zone.

The income criterion are listed as follows:

NUMBER OF HOUSEHOLD MEMBERS	YEARLY	GROSS INCOME MONTHLY	GROSS INCOME WEEKLY
1	\$6,474	\$540	\$125
2	8,736	728	168
3	10,998	917	212
4	13,260	1,105	255
5	15,222	1,294	299
6	17,784	1,482	342
8	20,046	1,671	386
ADD FOR EACH ADDITIONAL HOUSEHOLD MEMBER	2,262	1,859	429

Revco to open new store in Hertford

TWINSBURG, OH, February 17, 1986—Revco D.S., Inc., the nation's largest discount drug store chain, announces the opening of its first store in Hertford, North Carolina, on Sunday, March 2, at Hertford Plaza Shopping Center, U.S. Hwy. 17 Bypass and Church Street. This announcement was made by Revco's senior vice president of Real Estate, Marvin Solganik.

The new Revco store occupies 8,450 square feet of building area and offers the products and services which have marked the success of our 30-year old chain, says Solganik. As with most other Revco stores, the Hertford store will stock thousands of famous national brand products and more than 700 private label products.

Some of the departments featured in this full-line discount drug store include the pharmacy, a greeting card section, health and beauty aids, school and office supplies, household and automotive products and film processing.

Service news

ARMY PRIVATE NEAH S. WALKER
Army Private Neah S. Walker, son of Catherine and William L. Walker of Rural Route 4, Hertford, NC, has completed basic training at Fort Dix, NJ.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and

essing.

Revco places heavy emphasis on its prescription business, filling more than 57 million prescriptions annually. Pharmacist-manager Jim White says that the store also will offer customers PHARAssist, a program that encourages customers to talk to their pharmacist about their health care product choices. The PHARAssist program, White explains, offers customers informative brochures, health checklists, discount coupons and professional advice. "It's our way of putting service back into self-service," he adds.

Another feature of the new Revco store is a pharmacy computer, which White said will provide several benefits for Revco customers. "It automatically completes Third Party claim forms and keeps records of customers' prescription numbers in case the customers can't find theirs. And, it gives a view of the customer's past prescriptions,

allergies and such, so that we can identify any drug interactions with prescribed medicines. Also, customers will appreciate the prescription records they can easily obtain for their tax forms," White said.

The new Revco in Hertford will also employ Michelle Curtis, floor manager, and several full-time clerks. Store hours are from 9 a.m. to 9 p.m., Monday through Saturday, and from 1 to 6 p.m. on Sundays. The pharmacy hours are 9 a.m. to 6 p.m., Monday through Saturday.

Revco encourages senior citizens who visit the new Revco in Hertford to take advantage of its special 10 percent discount on prescriptions and Revco brand products.

Children up to age six are also

eligible for a special 10 percent "Stork-Aid" discount on prescriptions. Revco brand baby products and vitamins.

Revco, headquartered in Twinsburg, Ohio, operates more than 1,970 stores in 28 states and has more than 24,000 employees. There are 229 Revco stores in North Carolina.

By now, most people know about the tax advantages of an IRA.

But you may not know about the big difference it can make when you're making all your IRA

deposits as early in the year as possible.

For example, if you deposit \$2000 in an IRA in early January instead of waiting until you file your tax return the next year, and keep doing that for the next 20 years, you'll come out with over \$10,000* more interest.

For all the details, come see us. The time to start is now. The place is right in your neighborhood.

*Assuming an interest rate of 9% compounded daily, the additional interest earned over 20 years on a \$2000 IRA invested on January 1 each year compared to a \$2000 IRA investment made just prior to filing your tax return a year later.
