

# ELECT JOE LOTHIAN

## Sheriff of Perquimans County

This has been a long and trying campaign for everyone, especially you, the voter. I want to take this time to thank you for coming out and taking the time to vote in the last election. In the primary, you made a statement. You stated that you wanted a change in how you are represented by local law enforcement. Today, I have to ask you to come out and vote once more. I want to be your Sheriff. I need your vote. If I haven't asked you personally, I apologize and I ask you now. I haven't been able to get around to see everyone. My job as Chief of Police in Winfall is very important to me and I refuse to compromise my position for political gain. However, I promise you, if elected your Sheriff, I will not compromise the position of Sheriff for any reason. I will give you the law enforcement representation you deserve. I will return to you the office of Sheriff. I want to hear your ideas and needs. I want you to have a say in how you are represented. I have dealt with the important issues during this campaign, willing to talk to you about any of them. If you ask me a question, expect an answer. I feel the only way to deal with today's problems is to look them in the eye and go after them, not wait until later. Local law enforcement is only as good as the people it serves, and in this county, we serve the best people this side of anywhere.
