## Board to sponsor feeding program

The Perquimans County Board of Education will sponsor a Summer Feeding Program for Children from June 23 thru July 25, 1986, except July 4. Any person 18 years of age or under is eligible to participate in this program. This includes permanent and temporary residents who are under 18 years of age.

People who are over 18 years of age who (1) are determined to be mentally or physically handicapped by a state or local education agency and (2) have participated in a public or private non-profit school program for the handicapped during the past school year, are also eligible to participate in this program.

No child will be discriminated against in the meal service regardless of race, age, color, national origin, sex or handicap and all children will be served the same meals. There will be no physical segregation of any child.

Adults may purchase meals for \$1.50 each. All meals will meet or exceed the Federal Meal Pattern

for Children. All meals must be consumed on site.

Serving time and sites are as follows:

Belvidere, home of Marion Frierson, 12:00-12:45; Economic Improvement Council Building, 12:00-12:45; Holiday Island Park, 11:30-12:15; Leigh's Temple AME Zion Church, 12:30-1:00; and Missing Mill Park, 12:00-12:45.

## Broyhill makes stop in Perquimans

RALEIGH—Congressman Jim Broyhill brought his U.S. Senate campaign to nine Northeastern North Carolina counties for the first time on June 2-3.

Starting in Williamston in Martin County early on Monday, June 2, Broyhill traveled to Windsor in Bertie County, Ahoskie and Winston in Hertford County, Gatesville in Gates County and Edenton in Chowan

County. The next day, he started in Edenton and went to Hertford in Perquimans County, Elizabeth City in Pasquotank County, Camden in Camden County and Barco in Currituck County.

Broyhill, the Republican nominee for U.S. Senate, visited Eastern North Carolina several times in the primary election, but did not get as far north as he traveled on this trip.

### Omission

In last week's story about the Perquimans County High School Graduation, the name of Karen Summer Tice was omitted from the listing of honor students. We congratulate Miss Tice on her achievements, and apologize for the omission.

## Fundraiser held for Cancer Society

The Perquimans County Chapter of the American Cancer Society raised \$3,400 in pledges during their annual Jail-A-Thon this year, according to chairperson Debbie Sutton.

Sutton expressed her thanks to all of those in the community that helped to make the day of success, and offered a special thanks to the Perquimans High School FFA Club for constructing the jail.

She added that, although the Jail-A-Thon did not net enough money to meet the county's 1986 quota, the funds can still be raised during the door-to-door crusade.

## Modern lathe demonstration slated

Space-age machinery will arrive in Elizabeth City next week when the head of a Charlotte-based company brings the latest, state-of-the-art shop equipment to College of The Albemarle.

Jonathan Herbert of Herbert Machine Co. will demonstrate one of the newest models of a computer numerically controlled (CNC) lathe at 6:30 p.m. on Wednesday, June 25 in the college machine shop in C Building

on the North Road Street campus.

"This will be a great opportunity for area businesses to see the capabilities of this equipment, first hand," said Stanley Nixon, COA machinist trades instructor. "There are no machines anywhere in the Albemarle area with this level of sophistication."

Nixon said those who attend also will have an opportunity to

witness a demonstration of the college's CNC milling machine. The equipment was purchased two years ago with a special state grant and funds from the COA Foundations, and is being used to train students in the machinist programs.

Business owners, managers, and employees are invited to at-

tend the free demonstration. Those who desire further information can call Nixon at the college, 335-0821, Extension 285.

## Correction

In last week's edition of The Perquimans Weekly a composition error caused two Letters to the Editor to become intermingled. We regret the error. To eliminate confusion you will find each of the letters reprinted on Page Four of this week's edition.

A professional perfume tester is known in the trade as a "nose."

### INSIGHT INTO EYESIGHT

#### MIDDLE-AGE EYES

With aging often comes a refractive (focusing) error of the eyes known as PRESBYOPIA. This usually comes after the age of forty and is due to the gradual loss of elasticity of the crystalline lens of the eye. As the lens loses its flexibility, one has more and more difficulty focusing on nearby objects. You'll know your eyes are "getting old" if your arms seem too short when you read, or if you have trouble performing close-up tasks like threading a needle. Presbyopia will occur in addition to the "Big Three" refractive errors -- myopia, hyperopia, and astigmatism -- but pure presbyopes only require a correction during close-up tasks. Presbyopia has a way of sneaking up on people -- like middle-age -- but if you find the page blurring or the eye of the needle disappearing, it's time to visit your eye care specialist. Refractive errors such as presbyopia can easily be corrected with eyeglasses or contact lenses.
