Cooking With BeLo

Lemon Chicken Legs

4 whole chicken legs with thighs attached
1/3 cup lemon juice
2 tablespoons water
2 tablespoons vegetable oil
2 tablespoons finely shredded lemon peel
1 clove garlic, minced or pressed
1/4 teaspoon salt
1/8 teaspoon ground pepper

Remove skin and visible fat from legs; rinse and pat dry. Place legs in large, shallow dish. In small bowl, stir together lemon juice, water, oil, lemon peel, garlic, salt and pepper; pour over legs. Cover; refrigerate several hours or overnight, turning occasionally.

Prepare outdoor grill for cooking or preheat broiler. Remove legs from marinade. Grill legs 6 inches from source of heat or broil indoors, cooking about 30 to 40 minutes or until tender and golden brown; turn and baste frequently with marinade. Makes 4 servings.
