## Riverspree 87' needs area volunteers

Hot weather and lots of activity bring many visitors to Elizabeth City during Memorial Weekend. Those people get thirsty and concessions Co-Chairman Mary Tirak and Kay Ahearn are looking for some special people to work Coke and Pepsi drink concessions. The festival, scheduled May 22-25, uses proceeds from concessions to assist with costs of the festival.

"We need approximately 180 volunteers," Tirak said. "We're looking to club, civic organizations, college stu-

dents and other individuals to help us out."

This is the sixth year for Riverspree, an event conceived by Elizabeth City Area Chamber of Commerce to promote the city and its waterfront. Memorial Day weekend will be highlighted at Waterfront Park with more than 50,000 people partaking of foods, crafts, live entertainment, water activities, and a dance at Southgate Mall.

"Hopefully, the drink concessions will be a good source of revenue to

offset some of the expense or Riverspree," said Kay Ahearn. Ahearn added, "The support of the community has been wonderful in the past and we sincerely appreciate it and look forward to another successful year. It's one of the few times that the entire community comes together to work and play."

Individuals and groups willing to volunteer their help should contact Mary Tirak during early evening hours at 771-5828, Kay Ahearn during the day, 338-3037, or the Chamber of Commerce at 335-4365.

(Put anybody else's home equity loan features here for a side-by-side comparison.)

As you can see by the chart, feature for feature, we're not going to let anyone, anywhere, offer you a better home equity line of credit. What's more, there are none of the drawbacks that you might find in the fine print of some home equity loan ads. So, to take full advantage of the interest deductions allowed under the new tax law, come see us about LineOne Equity. Or you can just call Phone-A-Loan at 1-800-342-9701 (in Greensboro, call us at 855-NCNB). And you'll find out how a bank works to be the best in the neighborhood.

Principal payments due after 15 years. The Annual Percentage Rate (APR) may vary. On April 7, 1987, the APR ranged from 8 1/4% to 9 1/4%, depending upon your relationship with NCNB and your line amount.
