

Goodwin chosen for competition

Suzette Godwin, daughter of Mr. and Mrs. Archie M. Godwin of Tifton, GA, granddaughter of Mrs. Gracie Benton and Mrs. Bessie Godwin, former residents of Perquimans County has been selected to represent Valdosta Technical Institute in the 1987 State GOAL competition in Atlanta, GA in June.

GOAL (Georgia Occupational Award of Leadership) is an awards program jointly sponsored at the state level by the Georgia Department of Education and the Business Council of Georgia, and at the local level by civic organizations such as the Valdosta Chamber of Commerce, Rotary Club, and Lions Club.

A 1984 honor graduate of Tift County High School, Godwin has been a student in Valdosta Tech's Data Processing and Accounting program since 1985 and has maintained a 4.0 grade point average in all of her classes.

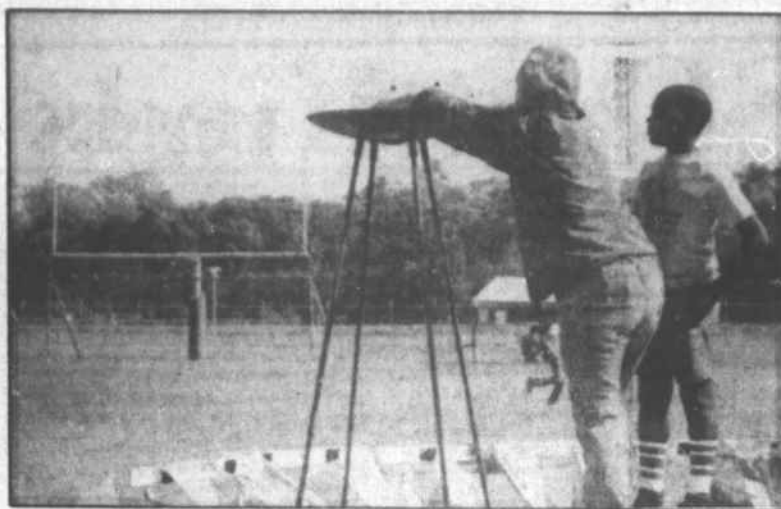

Godwin was selected from among 29 students nominated by their instructors on the basis of academics, technical ability, leadership, and attitude through a series of interviews

with local business, industry, and government leaders. She will compete with the other 32 school winners in Atlanta in June to determine the state GOAL winner.

In Atlanta, Godwin will also be competing for the PRIDE award, which stands for Performance Recognition Indicating Demonstrated Excellence. The PRIDE project will exemplify a student's proficiency in their chosen field of study. PRIDE is judged by experts from business and industry in that career field.

Godwin's PRIDE exhibit will revolve around the theme "Vocational Education Brings New Light in Life—The Future through the Eyes of a Computer" and will focus on computer education for the blind. Her approach is to develop and implement a program of study that will provide the visually impaired the opportunity to learn computer and program skills that they can carry into the world.

The state GOAL winner will receive a new automobile and will represent vocational-technical education throughout the state of Georgia for 1987.

Pictured above the torch is being lit for the start of the Albe-marle Regional Special Olympics.

INSIGHT INTO EYESIGHT

Dr. A.F. Downum
OPTOMETRIST

EYE EXAMS FOR TODDLERS

If your child has a vision problem, even though it may not be noticeable now, it may be critical to have it corrected before the child enters school. That's one reason why eye doctors recommend that every child's eyes be examined by the time he or she is three years old.

A common problem of early childhood is strabismus or crossed eyes. There are many variations of this condition, but essentially it means that the child's eyes are not perfectly parallel when viewing an object. This problem is not always obvious, but any degree of strabismus may cause permanent vision problems if left uncorrected. The child must learn to use both eyes together in viewing objects in order to see them three-dimensionally. Otherwise the child will never have normal depth perception.

If your child hasn't had his or her eyes examined or if you are concerned about possible vision problems, make an appointment with your eye doctor for an examination.

Special Olympics receives grant

DURHAM—The President of the North Carolina Co-op of Pizza Hut franchises this week presented a check in the amount of \$26,386 to North Carolina Special Olympics.

The presentation, made at the Durham County Special Olympics Games, was the result of a special

Easter weekend promotion conducted by Pizza Hut restaurants throughout the state. This is Pizza Hut's first year as a state-wide sponsor.

In presenting the check, Pizza Hut Chairman Theron Riley expressed the company's pleasure in its expanding support of Special Olympics.
