### GED recipients

Four students recently earned their GED's on the same day at the College of The Albemarle. They are (left to right) Carol Stewart of Elizabeth City, and Linda Byrum, Ruth Bratcher, and Richard Carter, all of Hertford. To learn more about the GED program at COA, call the Learning Lab at 335-0821, ext. 268 for details. (Photo courtesy COA)

### Top dragster

Clifton Wood earned a first place trophy for drag racing - legally, of course. Wood was one of a group of Perquimans County Middle School technology students who participated in the metric 500 dragster competition. Ten Perquimans students went head-to-head with Elizabeth City Junior High School students. Wood was declared the champ. (Photo by Susan Harris)
