Chowan Hospital receives grant for diabetes clinics

Chowan Hospital has been awarded a three-year, \$150,000 grant to establish Outpatient Diabetes Clinics in the hospital's service area.

The grant, under the Rural Health Care Transition Grants Program, is administered by the United States Department of Health and Human Services.

There are about 3,500 people in the hospital's service area who have been diagnosed as diabetic, and another estimated 3,500 who have it, but don't know it. Diabetes and its complications cause over 70 deaths each year in Chowan Hospital's service area, more than twice the national average. Untreated diabetes causes blindness, heart disease, kidney failure and amputation of limbs.

According to the American Diabetes Association, diabetes is the fourth leading cause of

deaths in the United States, and is especially prevalent among black Americans and people of Hispanic origin. For each person who has been diagnosed as diabetic, there is one who has the disease but doesn't know it.

The diabetes clinics will provide patients education and monitoring to include use of insulin, risk factors of controlled diabetes, symptoms and treatment of hypo/hyperglycemia, medications, glucose monitoring, sick day management, travel tips, foot care and how to exercise.

The clinic will seek to coordinate care with all health care providers in the various communities, including Social Service Departments, Health Departments, Rural Health Clinics, Home Health Agencies, Home Care Services and private physicians.

Swindell's plans annual service of remembrance

On Saturday, Dec. 2, Swindell Funeral Home of Hertford will host its seventh annual Service of Remembrance at 7 p.m. in the Hertford United Methodist Church. This will prove to be an up-lifting service of remembrance, strength and sharing for those who lost loved ones during the past year and others who have also sustained losses.

Through the scriptures, music and prayer, this service will celebrate the lives of those

who have gone on before us. A candle will be lit in remembrance of each of these loved ones as a symbol of the light they shed on our lives.

Following the service a reception will be held in the church fellowship hall.

Anyone wishing to attend is welcome and please bring someone you feel may be interested. If you have the name of someone you would like included on the Memorial Roll, call Swindell Funeral Home at 426-7311 by Nov. 25.

Scouts to collect food for needy

Boy Scouts and Girl Scouts of Perquimans County will be participating in the upcoming National Scouting for Food Drive. On Nov. 11 the scouts will fan out across the county delivering printed food bags to each household in the county. They will return on the following Saturday, Nov. 18 to collect the bags that they hope will be filled with food items. Food donations will be returned to the Open Door Food Pantry located in Winfall. The Open Door Food Pantry distributes food to Perquimans County residents in need.

The plastic bags the scouts will be distributing were furnished by the Boy Scout Tidewater Council. Printed on

the bags is the Scouting For Food logo as well as a request for food and clothing. The Scouts are not prepared to accept clothing and request that only food items be donated. The bags also suggest that uncollected food should be brought to a collection point outside of our county. Uncollected food in Perquimans County should be brought to the Open Door Food Pantry, your church, or call Scoutmaster Mark Warrenner at 426-7412 to arrange pickup.

The Scouts would like to invite organized youth groups in Perquimans County to assist with the Food Drive. If interested, call 426-7412 for information.
