ERRORS & OMISSIONS

Advertisers should check their ads the first day it runs. The advertiser agrees that the publisher shall not be liable for damages arising out of errors in advertisements beyond the amount paid for the space actually occupied by that portion of the advertisement in which the error occurred whether such error is due to the negligence of the publisher's employees or otherwise, and there shall be no liability for non-insertion of any advertisement beyond the amount paid for such advertisement.

NOTICE TO READERS

While work-at-home advertising is often legitimate, we advise readers to fully investigate the background of any company before paying a fee. If an offer sounds "too good to be true," it probably is. Proceed with caution if you are asked to send money or to call a "900" number. All phone numbers prefixed by "900" are charged to the caller on a per minute or per call basis. The Daily Advance makes every effort to qualify these charges for the readers. Remember if you have any doubts, investigate.
