Town of Hertford

The Town of Hertford
welcomes you to the
Indian Summer Festival

Hertford is a small, riverfront town, proud of its rich history and looking forward to a promising future. We hope our festival visitors will take the time to enjoy the walking tour of our historic homes and buildings, browse and shop in our home-owned stores, and visit with our friendly residents.

We'd love to have you come back and visit any time, or even make Hertford your home.
