THE PERQUIMANS WEEKLY

A WEEKLY NEWSPAPER DEVOTED TO THE UPBUILDING OF HERTFORD AND PERQUIMANS COUNTY

Number 1

Hertford, Perquimans County, North Carolina, Friday, November 16, 1934.

\$1.25 Per Year

Cotton Certificates Are Received Here

Issue Is Part of 10 Per Cent Reserve For Special Cases

L. W. Anderson, farm demonstration agent, has received additional cotton transportation certificates in the amount of 125,656 pounds, representing 271 bales, and additional certificates are expected at once, the total of the new allotment to be about 400 bales.

This is good news for Perquimans, that there had been some dissatisfaction because of the small allotment.

The new issue as explained by Mr. Anderson, is a part of the 10 per cent reserve. At the time the allotment was made the State was only given 90 per cent, the other 10 being reserved to take care of state insubmissions, the various farms and other state projects, and those who had grown cotton in 1933 and 1934 for the first time since 1927, the balance to be distributed among the growers who were eligible under certain conditions, such as those farmers having less than one-third of their cultivated land in cotton; those who have voluntarily reduced their crop at least 40 per cent under the 1928 and 1929 acreage, and others.

Perquimans County, along with about sixteen other counties, is receiving more than merely its share of the 10 per cent reserve, however. They are receiving the 10 per cent reserve and their share in the balance which is divided among sixteen other counties.

Those farmers who cannot use these additional certificates this year are advised that, if the Bankhead Act continues in force next year, and Mr. Anderson believes there is every indication that it will be in effect in 1935, the certificates can be kept and used next year.

Red Cross Roll Call Now In Progress

Campaign To Buy Colored School Bus

K. A. Williams, principal of the Perquimans Training School for Negroes at Wintfall, is making an effort to raise money for purchasing the much needed school bus for that school.

There is no provision by the State for providing this bus and none by the county. These children have been conveyed privately, and it is impossible to continue this service but a short time longer.

The committee which is being organized for this purpose is progressing well, and extensive plans of raising the money being made. Appeal is made for any donations to help in this cause. The committee has in mind the following names: Mrs. J. E. Morris, Mrs. E. W. Lortney, Mrs. T. B. Sumner, Mrs. Charles E. Johnson, Mrs. J. F. Felton and Mrs. G. E. Tucker.

Any one wishing to contribute to this worthy cause may send their contributions to K. A. Williams at Wintfall.

Mystery surrounds the cause of the shooting, and as yet no motive has been uncovered.

"LOVERS' QUARRELS" FEATURE SESSION OF COURT ON TUESDAY

Colored Couples Dismissed As Affairs Are Patched Up

"Just a lovers' quarrel—dismissed with costs," said Judge Walter H. Oakey, Jr., in Recorder's Court on Tuesday, when the difficulties of Novella White and Teddy Cox, both colored, were aired in court.

Although Novella plead guilty and Teddy told of how Novella had cut a gash in his shoulder with a pocket knife after he had given her a beating, they seemed to be on such good terms that the court decided to let them go.

Another case of lovers disagreeing was that of Buster Doone, charged with slapping Lennie Dail, both colored. Buster plead guilty, admitting that he did slap Lennie after he called her while she was talking with another fellow and she did not come. "Well, she isn't a bird dog, is she?" asked Judge Oakey. The case was dismissed with the admonition of the court to punish her some other way next time. The couple appeared to be on the best of terms after the case was over.

Judgment in the case of Harrell Thach, charged with abducting a woman, was suspended for two years upon condition that the defendant support his wife and family to the best of his ability during that time. The court costs were not charged against the defendant, as the court stated he wished everything that the defendant could make to go to his family.

When the case was called against Mr. Thach the prosecuting witness, Mrs. Thach, did not appear, and it developed that the couple were living together. However, Mr. Thach was directed to bring her into court, where the matter was heard.

Clarence Pemberton, colored, charged with assaulting with a deadly weapon, to wit, an axe, one Philemon Shambry, was an old offender. He had been in court some weeks ago for fighting. On both occasions Clarence was represented by J. S. McInerney.

The judgment in this case was six months on the road, the sentence to be suspended upon the payment of the costs and upon the condition that the defendant not be found in Perquimans County for a period of two years.

Clarence Burnette, colored, charged with illegal possession of liquor, was acquitted.

Rev. L. M. Dixon To Leave Hertford

Rev. L. M. Dixon, pastor of the Hertford Baptist Church, is leaving Hertford. This announcement will be received with regret by the many friends of Mr. and Mrs. Dixon in Perquimans.

Mr. Dixon offered his resignation on Wednesday night of last week, to take effect on the first of December. The minister has accepted a call to Colerain.

Mr. Dixon came to Hertford in the spring of 1932, and has been very popular here, not only among the members of his own church, but with the people of the community.

Funeral Services Held For Mrs. Sallie Jordan

Mrs. Sallie Dail Jordan, 61, wife of A. W. Jordan, died after a brief illness on Tuesday of this week at her home at Bethel in this county.

Mrs. Jordan, who was a life-long resident of the county, was well known and was held in the highest esteem by a large circle of friends. Her death was a distinct shock to many of her friends who had not heard of her illness until her death occurred.

Surviving Mrs. Jordan are her husband, A. W. Jordan; one son, William Kenneth Jordan, and one brother, W. E. Dail, of New Hope.

INTERESTING PROGRAM FOR LADIES AT ROTARY

Rotarians Hold Ladies' Night at Hertford Hotel

Ladies' Night of the Hertford Rotary Club, which occurred on Tuesday night, was a gay and festive occasion, with everybody having a good time and not a dull moment during the meal.

The Hotel Hertford served the kind of dinner for which it is famous and the Rotarians entertained their ladies most charmingly.

"America" was sung in unison before the guests were seated, after which Dr. C. A. Davenport asked a blessing.

Judge Walter H. Oakey, Jr., president of the Rotarians, presided, and the address of welcome was made by J. Emmett Winslow. Jerry Newbold, popular tenor, sang "Little Gray Home in the West" and "Drink to Me Only With Thine Eyes" and Mrs. W. F. White entertained with a couple of humorous readings. Then there was a lot of singing, with Mrs. R. M. Riddick at the piano. First the Rotarians sang a song to the Rotary Annex, and the Rotary Annex came back with one to the Rotarians, and afterwards all sang a song together.

Each lady present was presented with a beautiful vanity case.

Those present included Mr. and Mrs. Walter H. Oakey, Jr., Mr. and Mrs. C. P. Morris, Mr. and Mrs. D. S. Darden, Mr. and Mrs. F. T. Johnson, Mr. and Mrs. J. A. held at the Grammar School on Friday night. Mrs. Flowers interestingly outlined the work of the P. T. A. and stressed its importance, laying special emphasis on the necessity of all parents, whether their children were in grammar school or had advanced to high school, of attending the P. T. A. meetings and taking part in the work.

Mrs. Flowers and Mrs. V. N. Darden, of Hertford, who is District President of the P. T. A., went to Gates County and also to Camden County on Tuesday in the interest of the work, and attended a meeting in Gatesville on Friday.

Mr. Rutenberg, who has been quite sick and confined to his bed for the past two weeks, with an attack of sciatica, is improved and is now able to spend a part of each day attending to business. He is, however, temporarily on crutches.

Perquimans Highs Lose To Edenton High School

The Perquimans High School football team went down to defeat last Friday afternoon on the local gridiron when the Edenton High School went back with an 8-0 victory. The local team was no match for the more experienced Chowan boys, who have not been scored upon this year and have won the Northeastern Class B championship. They play in the semi-finals today at Rocky Mount, where they will fight it out with New Bern.

The most outstanding Perquimans player in Friday's game was Carl Britt. This flashy halfback on numerous occasions brought down the heavy charging Edenton runners and but for a weak line might have made substantial gains for his team. On two occasions he almost got away for touchdowns on passes. C. Brinn also made a number of beautiful punts, sending the ball out of his own territory.

Friday's game completed the year's schedule, and while the team has not made an outstanding record, Coach Hughes is well pleased with the improvement over last year's team.

The lineup follows:

Perquimans Weekly To Be Published Every Friday

MRS. WHITE EDITOR

Many Congratulations Already Received For Needed Publication

Having become thoroughly convinced that Perquimans County not only needs, but that it earnestly desires a good weekly newspaper, Mrs. W. E. White, for several years editor of a Hertford newspaper, has decided to launch an entirely new paper in Perquimans. This is the first issue, which has taken the name of THE PERQUIMANS WEEKLY.

Every effort will be made to make the paper as newsy and as informative as possible, to the end that the publication may reflect credit on the community.

The paper will be published every Friday. The first issue is being distributed to every home in Hertford and to all boxholders in the county, many other copies being sent into surrounding territory in order that potential subscribers may get an idea of the kind of paper they will be asked to subscribe to. The subscription price will be \$1.25 per year, payable in advance, but as an introductory offer this price will be reduced to 75 cents for one year for a limited time. Solicitors will be sent out to canvass the entire county, in the hope that The Perquimans Weekly may have complete coverage of Perquimans County, at least.

It has been very encouraging to receive so many congratulations and good wishes, and the whole-hearted cooperation given by the Hertford business men is an incentive to make the newspaper just as good as it can possibly be made.

Any news of general interest will gladly be printed, and the cooperation of every reader is asked in order to carry all the news to this entire county. Subscribers and prospective subscribers, as well as any other friends, are invited to drop into the office at any time.

Mediation Committee Will Assist Farmers

Farmers who are unable to pay off their debts are promised assistance in reaching an agreement and adjustment with their creditors through the Farm Debt Adjustment Commission. Mediation committees for the various Albemarle counties are now functioning and are ready to assist any debtor or creditor in reaching a satisfactory plan of settlement.

Any debtor or creditor seeking a readjustment in the debt relationship may ask the committee in his county to investigate and make recommendations to either or both of the parties concerned.

Application blanks will be furnished upon request by this committee. The committee has nothing to do with the actual refinancing of farm loans under the Federal farm relief program.

This committee is very anxious that anyone in need of assistance see any member of the set-up.

The committee for Perquimans County follows: J. C. Blanchard, W. E. Dail, V. N. Darden, W. H. Oakey, Jr., and Dr. E. S. White.
