

# THE SUNDAY SCHOOL.

LESSON XI, THIRD QUARTER, INTERNATIONAL SERIES, SEPT. 10.

Text of the Lesson, Ezek. xlvii, 1-12. Memory Verses, 2-5—Golden Text, Rev. xiii, 17—Commentary Prepared by Rev. D. M. Stearns.

[Copyright, 1905, by American Tract Association.]

We have in this lesson the record of a river of living water issuing forth from the temple of Jerusalem and flowing eastward to the Dead sea, bringing life and health everywhere. On either side of the river are seen trees of un fading foliage, fruit bearing, the fruit being for meat and the leaf for medicine, or, as in the margin, for bruises and sores. Referring to the same time to which Ezekiel refers, the Spirit says in Joel iii, 17, 18, "So shall ye know that I am the Lord your God, dwelling in Zion, my holy mountain, and a fountain shall come forth of the house of the Lord and shall water the valley of Shittim." Again in Zech. xiv, 8, He says: "And it shall be in that day that living waters shall go out from Jerusalem, half of them toward the eastern sea and half of them toward the hinder sea. In summer and in winter shall it be." In verse 9 of our lesson we read of "rivers" and in the margin "two rivers," doubtless the same as those of Zechariah.

Our lesson is in a portion of Scripture which tells of the future glory of Jerusalem, with its literal temple restored, the name of the city from that day being Jehovah-shammah (the Lord is there). The context in Zechariah tells of a change in the configuration of the earth in and about Jerusalem, and there is no reason why we should not expect a literal fulfillment of every prophecy concerning the land and the people, but every reason why we should expect it, for the mouth of the Lord hath spoken it.

Now, while the principle "literal, if possible," stands for all Scripture, we must remember that as in the story of Abraham and Ishmael and Isaac these things had also another meaning, so here we must seek the lesson for our hearts which will work out in us more of the life of Christ, for to that end all our study of the Scripture must tend. God, who commanded the light to shine out of darkness (a literal event), not only bathed in His own light, but will increasingly shine there as we meekly receive His word in our hearts (11 Cor. iv, 6; Ps. cxix, 100). A literal river in the wilderness gave forth living water with which literal men and women quenched their literal thirst (Ex. xvii, 6), but the other meaning is seen in I Cor. x, 4, where we read, "That rock was Christ."

In Jer. li, 13, the Lord speaks of Himself as the fountain of living waters and complains that His people had forsaken Him for water from their own broken cisterns. In John iv, 13, 14, the same Lord told the woman of Samaria of water that did not satisfy, and also of water that would satisfy and become in the believer a well of water springing up unto everlasting life. The line of truth suggested by "water" in the first seven chapters of John's gospel is most refreshing and inspiring, but the complete story takes us back to Gen. i, 6-8, and on to Rev. xii, and the cry is ever sounding forth: "Ho, every one that thirsteth, come ye to the waters;" "Whoever will, let him take the water of life freely;" "If any man thirst let him come unto me and drink (Ist. Iv, 1; Rev. xxii, 17; John vi, 37).

The four times measured river of our lesson may suggest to some the river that went out of Eden and was parted into four, or the fourfold story in the gospels of Him who in the fountain of living waters. But it certainly suggests the ever increasing revelation of God in His wonderful word and the breadth and length and depth and height of His love, which a little child can grasp in some measure, but which is also too deep for even the most spiritual to understand.

Our range of vision must take in not only the present blessings of the gospel while the church is being gathered out, but the greater blessing to all nations when "Israel shall blossom and bud and fill the face of the earth with fruit;" when "the earth shall be full of the knowledge of the Lord, as the waters cover the sea;" when "the nations of them which are saved shall walk in the light of the new Jerusalem and they shall bring the glory and honor of the nations into it (Ist. xxvii, 6; xl, 9; Rev. xxi, 24, 26).

Who shall see and share all this? Whoever chooses now to take the water of life freely. But how can they take it who have never heard of it? There is our responsibility as stewards of the grace of God. Let him that heareth say come! What are you doing about it? If we really know what it is to drink of the pure river of the water of life, clear as crystal, proceeding out of the throne of God and of the Lamb (Rev. xxi, 1) we cannot but want to have others drink also. And if we do not most earnestly desire that others may know and drink it is a question whether we ourselves have tasted.

There are many worshipers who do not worship in spirit and in truth because they have only a form of godliness without the power thereof (11 Tim. iii, 5; 1st xxix, 18; xxviii, 31, 32). Some of them make much of turning to the east when they worship, possibly not knowing that facing the east meant turning the back to the temple. See verse 1 of our lesson and Ezek. viii, 16. In the first verse of the lesson there are two very suggestive phrases—"the door of the house" and "the altar"—each of which points to Him who is the only sacrifice for sin and the only entrance into the presence of God.

Men, who know when they get enough, may be too full for utterance after getting it.

## Treland News.

The delightful autumn weather has given us courage to ask for space in your paper for Treland. And now for the benefit of those who are not acquainted with Treland we will say it is a small station three miles from Lenoir and has a nice public school building. The community have been greatly benefited by the two excellent schools which were taught by Mr. James H. Isbell. The next term of the public school will open October 2nd with Mr. David R. Shearer as teacher.

There has been a fine Sunday School at Treland this summer. Mr. J. H. Johnson, our Superintendent, is an earnest worker and people both young and old, seem to be deeply interested.

The steam shovel which has been at work for the last week filling up the largest trestle will probably be here two or three weeks yet.

Mr. Avery Martin and family, of Granite Falls, spent Sunday at the home of Mr. Martin's parents, Mr. and Mrs. B. Martin.

Miss Essie Setzer, of Newton, is visiting the Misses Deal.

Miss Fannie Powell, of Lower creek spent a few days last week at the home of her parents, Mr. and Mrs. J. J. Powell.

Mr. Sidney Martin, of Knoxville, Tenn., is visiting his parents, Mr. and Mrs. B. Martin.

Mr. James H. Blair is attending school at Hudson. Grandma.

A Judicious Inquiry.

A well known traveling man who visits the drug trade says he has ten heard druggists inquire of customers who asked for a cough medicine, whether it was wanted for a child or for an adult, and if for a child they almost invariably recommend Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it, and for coughs, colds and croup it is unsurpassed. For Sale by Dr. Kent's Drug Store and Granite Falls Drug Co.

Many a man has ruined his eyesight looking for work in a saloon.

Without the sense of humor no man can enjoy right life up to the limit.

Strikes Hidden Rocks.

When your ship of health strikes the hidden rocks of Consumption, Pneumonia, etc., you are lost, if you don't get help from Dr. King's New Discovery for Consumption. J. W. McKinnon, of Talledega Springs, Ala., writes: "I had been very ill with Pneumonia, under the care of two doctors, but was getting no better when I began to take Dr. King's New Discovery. The first dose gave relief, and one bottle cured me." Sure cure for sore throat, bronchitis, coughs and colds. Guaranteed at J. E. Shell's drug store, price 50c and \$1.00. Trial bottle free.

A bucket of whitewash usually goes with each political investigation.

The Colonel's Waterloo.

Col. John M. Fuller, of Honey Grove, Texas, nearly met his Waterloo, from Liver and Kidney trouble. In a recent letter, he says: "I was nearly dead, of these complaints, and, although I tried my family doctor, he did me no good; so I got a 50c bottle of your great Electric Bitters, which cured me. I consider them the best medicine on earth, and thank God who gave you the knowledge to make them. Sold, and guaranteed to cure, Dyppepsia, Biliousness and Kidney Disease, by J. E. Shell, druggist, at 50c a bottle."

Some Seasonable Advice.

It may be a piece of superfluous advice to urge people at this season of the year to lay in a supply of Chamberlain's Cough Remedy. It is almost sure to be needed before winter is over, and much more prompt and satisfactory results are obtained when taken as soon as a cold is contracted and before it has become settled in the system, which can only be done by keeping the remedy at hand. This remedy is so widely known and so altogether good that no one should hesitate about buying it in preference to any other. It is for sale by Dr. Kent's Drug Store and Granite Falls Drug Co.

## NOTICE.

North Carolina Before Board of Caldwell County Commissioners. Notice is hereby given that a petition has been filed before the Board of Commissioners of Caldwell, by I. B. Holselaw and others, to lay out and establish a public road from Wattie White's store to Blue Doe school house, in said county. The notice required by Section 2088 of the Code, has been given by the petitioners: And the said petition will be heard at the next meeting of the said Board on the 4th day of September, 1905. J. L. MILLER, Clerk of the Board.

## Thousands Have Kidney Trouble and Don't Know It.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass water in the back is also convincing proof that the kidneys and bladder are out of order.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

## Startling Mortality.

Statistics show startling mortality from appendicitis and peritonitis. To prevent and cure the awful diseases, there is just one reliable remedy. Dr. King's New Life Pills. M. ## Incredible Brutality.

It would have been incredible brutality if Chas. F. Lemberger, of Syracuse, N. Y., had not done the best he could for his suffering son. "My boy," he says, "cut a fearful gash over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye." Good for burns and ulcers too. Only 25c at J. E. Shell's drug store.
