

COOLEEMEE N

Mrs. Hugh Salmon
Speaker at Club Meeting

On April 1st at 7 P.M., the Cooleemee Woman's Club met at the home of Mrs. J. L. James for their annual dinner meeting. Hostesses Mrs. James, Mrs. F. J. Seders, Mrs. Frank Boyd, Mrs. C. L. Isley and Mrs. Graham Cobble served a delicious buffet dinner. Members were served in the dining room and were seated in the living room at candlelit tables. The living room and other rooms were beautifully decorated with spring flowers.

Following the dinner, Mrs. J. L. Carpenter, President, called the meeting to order and welcomed the guests, Mr. Hugh Salmon, President of the 6th District, Mrs. Mayberry of the Elkin Junior Woman's Club, Mrs. I. Huske, Mrs. F. English and Mrs. John Barber.

Mrs. Ed English introduced the guest speaker, Mrs. Hugh Salmon who gave a very informative talk on the growth of the Federation. She described the Federation as growing in the form of a tree, the trunk being made up of general federation by-laws, officers, policies, plans and service, and the branches of the tree being the state federation. The leaves of the tree, of course, are the many clubs in North Carolina, which number some 350. The blossoms and fruit typify the work accomplished through cooperation, increased knowledge, expanded interests and spiritual growth, all essentials for continued health of the tree. Concluding her talk, Mrs. Salmon asked for questions from the members of the Club. An informative discussion followed and worthy information was gained.

A word of appreciation is again expressed to the dinner committee who planned the buffet dinner so efficiently.

Colored Workers of No. 3
To Get Community Center

Through the untiring efforts of some of the leaders in our colored section in Cooleemee the people will get a Community Center in the near future. As soon as a new schoolhouse was erected here in Cooleemee, a Committee was formed to try and secure the old schoolhouse for a Recreation building. Hodge Phifer was elected chairman, and he and several others have worked hard and are now nearing their goal. Mrs. J. L. James, manager of Plant No. 3, Cooleemee, secured the old schoolhouse from the State and they immediately went to work raising funds to have it moved on Erwin Mills property.

As soon as this building is moved and fixed up it will be used for recreation, club meetings and social affairs for the whole colored community.

TOTS TO TEENS

1. This fat little lady is Susan Blalock, age 5½ months. She is the daughter of Mr. and Mrs. Wiley Blalock and Mr. and Mrs. Blalock and the granddaughter of Mr. and Mrs. Wiley Blalock and Mr. and Mrs. Blalock. Room, Warp Room and Spinning Room. 2.
