Mason<br/>First Emmanuel Baptist Church<br/>High Point</p> <p><b>Turn Pike To Torment</b><br/>Text: Broad is the way, that Leadeth to destruction, and Many there be which go in there at; Matt. 7:13<br/>Introduction<br/>In reflecting on the condition of the highways during the thirtys; one need hardly mention the fact that there are was, improvements which have been made;<br/>Of course the main reason behind the modern day highway, system which covers the nation is faster travel. Today one can travel almost in half the time it took thirty years ago across the nation;<br/>It is just as true Spiritually speaking that we have increased our speed in heading for hell. We drank harder as a nation; we curse harder, play with sex harder that we ever did in the past. Indeed we are as a nation on a turnpike to torment.<br/>Consider the similaritys of the turnpike to torment with our modern day turnpike.<br/>I. THE TURNPIKE TO TORMENT LIKE OUR MODERN DAY TURNPIKE IS EASY TO GET ON:<br/>The first signs one sees as they approach the average American city is signs pointing out the way to fast expressways. This is done because city officials know that most drivers want to find the fastest way to where they are going.<br/>Now the Devil knows that unsaved mankind wants the shortest, quickest, less troublesome way to heaven, so the devil misleads millions by erecting expressway signs which leads to destruction.<br/>Jesus warns us in the text of the existance of this turnpike to torment. The scriptures states that we enter the approachway to turnpike by being born in sin.<br/>Some persons are traveling in high powered well built cars. Some on flimsy broken down wrecks; but whether or not one is traveling in class or in poverty they are all traveling on the same road, the same Turnpike to destruction.<br/>Many have entered this tormenting turnpike by means of ignoring the Gospel signs which warn of impending danger. Many a gospel call by Gods preacher has fallen on deaf and unwilling ears.<br/>Many a gospel witness has been crushed to the ground by hard hearted men and women. How vast the number of people who have entered this distructive Turnpike inspite of a warning conscience.<br/>Conscience has told them not to get on this turnpike, conscience has shouted in vain to get them to turn off before it is too late.<br/>II: THE TURNPIKE TO TORMENT, LIKE OUR MODERN DAY TURNPIKE IS WELL TRAVELED:<br/>Jesus predicted that the turn pike; to torment would be a well traveled one, he said. Many be that go in threat. The increase in volumn of cars on our highways has become of such an increasing proportion that experts predict more and more accidents in the future.....Spiritually speaking, how sad to see the wrecks of human lives piled high upon one another on the turnpike to torment.<br/><br/>Continued on Page 6</p> </div> |   | <p><b>COMMUNITY SHOE SHOP</b><br/>"WHERE GREAT THINGS HAPPEN"<br/>2312 N.
