Turn Pike

Continued from Page 3

Lives spent recklessly without thought to Christ and his forgiving cross. Agnostics have traveled this turnpike in vast numbers only to wind up on the side of the road crumpled and crushed.

Atheist and infidels have flung themselves over the cliffs of doubt and disbelief.

Yes the casualty rate on this turnpike has been very high in spite of the terrible history of tragedy, the turnpike to torment continues to be well traveled. Mothers put their children on this road by neglecting to teach them of their responsibility to God.

Fathers put their children on this road by their neglect to Emphasize the duty of man toward their Creator. Preachers and deacons, choir members and pew members watch countless numbers enter this turnpike and fail to warn them of their danger.

May God have mercy upon us if we close our mouths while millions go hurtling to their destruction. Jesus stands before us and asks the question: Can I count on you?

To warn those heading for the Turnpike to destruction; Can I count on you to be a living stop sign halting the unsuspecting souls whom Satan has deceived. What my friend, will be your answer to these two all important questions?

III: THE TURNPIKE TO TORMENT LIKE OUR MODERN DAY TURNPIKE COST SOMETHING TO TRAVEL ON IT

It is not to difficult to get on the average turnpike, in our community but rest assured there will be a price. Church membership without the new birth is not sufficient to pay the toll, good intentions and human morality is not sufficient. Being an outstanding citizen in the community, giving to charity won't pay the toll. None of these things can meet the demand of a Holy God. Also think of the many persons who have come to the end of the road without their dignity, their reputation, all because sin has robbed them of them.

Ask yourself the question my friends, is the journey on the turnpike to torment worth it. The end of the road will find anguish and despair, fear and frustration. Why risk these terrible consequences.

When the Lord of Heaven offers happiness and prosperity Jesus bids us get off the turnpike to torment while it is yet time, with all of the afore mentioned calamities, the greatest calamity for those traveling the turnpike to torment is the calamity of coming to the end of the road and having no chance to enjoy the fellowship of God or to stand in his presence. Perhaps the greatest punishment in torment is the punishment which comes to one through separation from God.

Oh how terrible to be separated from him who is light. This means nothing but darkness to be separated from him, his love and mercy, this means nothing but wrath and justice.

To be separated from him who is peace and joy, this means restlessness and sorrow. Oh sinner I beg of you to abandon your vehicle of destruction and leap clear before it hurtles you into eternity without hope and without God.

On the turnpike to torment church members we dare not fail to wave the flag of danger and destruction to the passing millions who are speeding heading toward the turnpike to destruction preacher and deacons it is imperative that we direct the spiritual traffic of lost sinners away from the turnpike to torment to the highway to heaven.

Church and Pastor Anniversary Recognition

New Hope Baptist Church is located at 906 Meredith Street.

Sunday School is begun each Sunday morning at 9:45 a.m., morning worship at 11:00 a.m., and some type of evening service each Sunday at 7:30 p.m.

The church was organized on Thursday before the second Sunday in May 1967, under the leadership of Dr. E. J. Love. It had its first service on the second Sunday in May that year at the Christian Church. Inauguration services were held at the Emmanuel Baptist Church on Leonard Street the following Wednesday. The sermon was delivered by the Rev. L. L. Macon.

The membership has grown from 17 to more than 150.

Our church was first located on Hulda Street. Through God's many blessings and Dr. Love's leadership, we have purchased the building we are now occupying at 906 Meredith Street. We have completely renovated and furnished it. Also we own a beautiful pastorium located at 1207 Cedrow Drive. Our church owns two buses as well as other things that God has given us through the leadership of Dr. Love.

This man, we believe is truly a man of God. He has worked hard in and around our church, yet he gets no pay nor does he ask for any praise. He's said many times, "I'm just trying to work out my soul's salvation."

Dr. Love reminds me of

Job sometimes. He has suffered much, prayed hard, and is still holding on to God. His motto is, "God can do anything, and if God be for you, no man can be against you". His accomplishments are far beyond those which words can explain. He has brought us a program worthy of any people.

The community feels his presence wherever he goes to render services. The affable way in which he meets and deals with people makes us proud to call him our pastor.

Dr. Love has a wonderful helpmate. She has been by his side through his joys and sorrows, aches and pains. We feel that she has been some of the inspiration in all he has been able to attain. She is called upon on many occasions for help which she always gives.

Through Dr. Love's leadership and Mrs. Love's helping hand, we are a people with hope and faith in God.

Dr. and Mrs. Love will be leaving for a vacation in Calif. on August 20.
