the title of his latest with him or his recording

Donny reall loves music to the extent that he is in song called "The Slum" the process of expanding you can hear, the and developing styles so earthly possible.

of devotion to God, which had been written by the Slum" greatest innovation of his time Dr. Watt, Donny Hathaway, must be very spiritually inclined because in proctically every tune he pens the gospel influence is album. outstanding which is definitely alright with me.

In Donny's music you can pick out the major modes, which is more jubilant in sound, just listen to "I Love The Lord" from his current album and you will hear every romantic melody.

Donny evidently had a good childhood because he still enjoys doing songs that has the memories of childhood, for instance, Come Little Children, you will remember it immediately as "Hide and Go Seek."

Being unselfish as he is, Donny is always giving other musicians a change and credit to perform
