Following Amonoo's de- guests at a special been in government service zerland, Mexico, Ethiopia. He has been ambassador to the United States since July of 1972 and ambassa-

dor to Mexico since August of 1973.

The Heritage House, which was conceived by Dr. Dowdy and Mrs. Reed, is an outgrowth of the university's former Afro House.

The museum today has more than 500 artifacts representing the achievements of more than 21 African nations, New Guinea and Haiti.

In addition to paintings and sculpture, the museum has outstanding collections of ceramics, masks, weafabrics and cooking ware.

Dowdy said the university's goal is to establish a transcultural center to "learn about the differing
