Soul Train's Coming Attraction

BLOODSTONE

Singers-musicians Bloodstone, and vocalists Carol Douglas and Syl Johnson will be featured on Soul Train this weekend, television's soul entertainment show produced by Don Cornelius Productions.

Fresh from the critical success of their latest album, "Riddle of the Sphinx", which presents a creative concept far different from their usual soulful sound, Bloodstone sings the opening number, "For the First Time", as well as "My Little Lady" (a gold record) and album, "Natural High", resulted in Cash Box's 1973

award as the "Number One New R&B Vocal Group".

Carol Douglas who is riding the crest on the success of her best-selling single, "Doctor's Orders", sings her hit recording and "Hurricane is Coming". Debuting as a model at age three, Miss Douglas appeared with James Earl Jones and Cecily Tyson in the off-Broadway show, "Moon On A Rainbow Shawl", while still a teenager.

Syl Johnson performs "Stuck in Chicago"; and Miss Black America, Von Gretchen Shepard, is interviewed by Don Cornelius.
