ASTRO-DESTINY

**ARIES**  
Mar. 21 - Apr. 19 Don't run, walk, where money is concerned. Profits in this case go to the cautious.

**TAURUS**  
Apr. 20 - May 20 You've got the magic touch for success this week. A romantic prospect, however, should not be pushed.

**GEMINI**  
May 21 - June 20 It's time to conserve some of that boundless energy. Take things in a leisurely fashion, and your life will be easier.

**CANCER**  
June 21 - July 22 The pace is fast and you may find yourself in an exhaustive state. Conserve energy if possible.

**LEO**  
July 23 - Aug. 22 Take some time to think about your future. Weigh the assets, try to correct the faults.

**VIRGO**  
Aug. 23 - Sept. 22 The gods are smiling at you. Take advantage of their benevolent attitude - it would be foolish not to.

**LIBRA**  
Sept. 23 - Oct. 22 There is a tendency to take things a bit slower this week. And it's a smart idea. Too much rushing is the cause of accidents.

**SCORPIO**  
Oct. 23 - Nov. 21 A spurt of energy allows you to place the emphasis on your future. Those long forgotten plans come to the front.

**SAGITTARIUS**  
Nov. 22 - Dec. 21 Your plans for a party go awry. Don't despair. There will be a better time to come.

**CAPRICORN**  
Dec. 22 - Jan. 19 It's hard to keep a secret to yourself. It is better for all involved if you resist the temptation.

**AQUARIUS**  
Jan. 20 - Feb. 18 Your work is much thought of by your superiors. Advancement is more than probable. You deserve it.

**PISCES**  
Feb. 19 - Mar. 20 Money doesn't mean a great deal to you, except for the comforts it affords. They are not everything.

Soul Train's Coming Attraction

Blue Magic, Sister Sledge and Major Harris combine this weekend to make Soul Train a televised sixty-minute showcase of musical talent. Blue Magic, adding visual appeal with their stylistic, imaginative choreography, show off their "Philadelphia Sound" with "Never Get Over You", "Love Has Found Its Way to Me" and "Side Show" from their first album, "Blue Magic".

In a little over a year, the group has rocketed from total obscurity to gold-record status under the guidance of lead singer Ted Mills, a veteran of Philadelphia street corner groups. Four sisters, Debbie, Joni Kim and Kathie, known as Sister Sledge, perform the title song from their first album, "Circle of Love", and their first single, "Love Don't You Go Through No Changes on Me". Although each is a "lead" vocalist, Kathie, the youngest, usually fills that position for the group which has already developed an impressive following on the Eastern seaboard and in the African country of Zaire.

Major Harris, formerly of the Delphonics, captivates with "Love Won't Let Me Wait".

Host-producer Don Cornelius and the Soul Train dancers provide added spice to the show.
