

California Makes Martin Luther King, Jr.'s Birthday A Special Day

Governor Edmund G. Brown, Jr., at his Los Angeles office surrounded by a host of long-time civil rights leaders, signed into law a bill (SB 637) introduced by State Senator Mike Holden (Dem.-Culver City) which will commemorate the birthday (January 15) of Dr. Martin Luther King, Jr. with suitable exercises relating to the history of the civil rights movement in the United States.

Governor Brown stated before signing the bill that "Dr. King contributed so much to so many and had quite an influence on my life. While serving on the Los Angeles City Junior College Board of Trustees, I had the pleasure of voting in favor of a very similar measure. However, my vote was

not sufficient for passage. I am most pleased to sign this measure."

Senator Holden stated that "Dr. Martin Luther King, Jr., was a Southern Baptist Minister who achieved world recognition when he was awarded the 1964 Nobel Prize for Peace. The reward was granted to Dr. King for his application of the principle of non-violent resistance in the struggle for racial equality in the United States."

Senator Holden continued, "Dr. King was the architect and teacher of the non-violent movement in the United States. During Dr. King's entire civil rights struggle, the theory of passive resistance was practiced. This legislation is needed today

more than ever to teach young people that goals can be achieved in a non-violent manner as can be attested to by the monumental achievements of Dr. Martin Luther King, Jr." Senator Holden further stated, "California will be the first state in the nation recognizing Dr. King's achievements and contributions to all the American people through the civil rights movement by a commemorative day honoring his birth. This bill will allow all Californians to place the contributions made by Dr. King in his struggle for dignity and justice for all people its proper recognition in the classrooms of the state, the same as others who by their life's commitment added to America's overall greatness."

Senate Bill 637 does not provide for a "holiday" or "time off" on Dr. King's birthday, just time devoted to enlightenment of

this great man's sacrifices to awaken America to the necessity for change in the existing system of "liberty and justice for all."

garden accessories, gourmet items and original gifts. THE CHRISTMAS COLLECTION is the League's first major fund raising event in seven years. All proceeds from this project will return to the community through the League's Community Trust Account which finances all league projects. Projects for 1975 - 1976 which are already receiving funds from the League are the Creative Arts program in the Greensboro City Schools, Youth Care, Inc., Natural Science Center, Child Advocacy System in Greensboro, and the Learning Disabilities pilot program in the Greensboro City Schools. Over the course of 49 years, the Greensboro Junior League has given to the community thousands of volunteer hours and has returned in excess of \$372,000 for community projects to improve the quality of life in Guilford County.

In correlation with THE CHRISTMAS COLLECTION there are several League sponsored efforts. "Our Favorite Things" is the League sponsored craft and pantry booth featuring handicraft items and homemade baked and canned goods made by League members.

The League will publish a Christmas idea book entitled "Holiday Flavors and Favors" which will be for sale during THE CHRISTMAS COLLECTION. The book will encompass two major areas. One section will focus on holiday entertaining and include menus, recipes, serving suggestions and invitation ideas. The second section will feature food gifts for holiday giving. Both sections will be accented with craft ideas. In the entertaining section, craft ideas will be used for decorations for the table and home, serving ideas, favors, etc. In the food section, craft ideas will be incorporated to present unique packaging ideas for presentations of gifts.

One of the most exciting events of THE CHRISTMAS COLLECTION will be drawing for the 1975 white Toyota Corolla donated to the League through the generosity of Rice Auto Sales of Greensboro, North Carolina National Bank, and Wachovia Bank. Tickets for the drawing which will be held on Thursday, November 6 at 4:30 p.m. at the Hilton Ballroom may be obtained from any Active League member, from the Junior League Bargain Box or from Mrs. Don McMillion, 2010 Granville Road, Greensboro, N.C. 27408.
