"Salute to Black America"

Kandi Michelle is all smiles over the introduction of "Salute to Black America," a newly issued bank check series commemorating contributions of blacks to the nation. Kandi is holding one of the checks in the series, "A Salute to Black Women," in which madams Aretha Franklin, Coretta King, Leontyne Price, and Nancy Wilson are featured. Issued in honor of America's Bicentennial, the "Salute to Black America" checks are to be sold through banks across the nation, with a percentage of the proceeds earmarked for charity.

## In Our Time

Continued from Page 1

It will cost you that self-indulgence which brings you physical pleasure-but will not turn the lock for you on the door to eternal life.

It will cost you the personal failures and disappointments you will encounter while seeking the exciting and spectacular-only to find that the

things you thought would bring you joy were your big "let downs".

It will cost you the time to turn aside and pray when it seems that you have no place to turn and no one to turn to for help.

Jesus is saying "Come unto me all ye that labor...and I will give you rest....Take my yoke upon you, for I am meek and lowly in heart and ye shall find rest unto your souls."

He is asking us to keep fighting for the faith that comes as a "gift" from God. A faith that does not stop in you but continues through you. Touching and strengthening every believer who will take his yoke

## SADIE'S CORNER

(Tips To The Ladies)

Dear Sadie,

I am a young divorced woman and have been dating a very nice man that is very kind and thoughtful to me. My problem is that lately I have received many invitations from other men that I would like to go out with, but my boyfriend and I agreed to only see each other and I don't want to sneak around and have him lose faith in me. G.N.S.

Dear G.N.S.,

I agree on one thing you do have a problem. It is wanting your cake and eating it too. Have you heard the saying, "a bird in the hand is worth 2 in a bush?" If you have a nice man that is thoughtful, then you have a rare gem you should cherish. Sometimes by being a little greedy for just a little more we lose it all. Either get a new agreement allowing you both to date others; and be sure you can handle this situation or just hold on to what you have. Sadie

upon them. The yoke of I've died for you! I've bondage, the yoke of tested the bitter cup! I've affliction; and above all- taken the crimson stains of the yoke of the cross! sin and washed them white as snow!"

Jesus has paid for it all!

He says to us "Keep Your salvation depends on Don't be afraid to surrender all...Because I've already paid for your fare on Calvary's rugged hill! it is light."
