

**ASK ME ABOUT NATURE**

by Doris B. Kwakpui

Dear Mrs. K:  
Does swine flue kill hogs? I never heard of it before.

Mrs. Green

Dear Mrs. Green:  
Swine flue may not only kill hogs but may also kill humans. The name, swine flue, originated from the fact that hogs and the individuals that worked with the infected hogs die from the disease. The swine flue virus is an offspring of the spanish influenza virus that killed 500,000 Americans in 1918-1919.

Dear Mrs. K:  
I plan to make Rose-Hip Jam. When is the best time to collect the hips?

Mrs. Meachum

Dear Mrs. Meachum:  
The best time to collect rose-hips for jam is after the first frost.

Dear Mrs. K:  
Will you settle an argument. Does California produce the most cantaloupes?

Josie

Dear Josie:  
Of the 642,000 tons of cantaloupes that are produced each year in the USA, California and Arizona produces the most.

Dear Mrs. K:  
I want to be a rainmaker. I think salt grains can bring rain. Can salt do it?

Slim

Dear Slim:  
The use of salt grains to bring rain has worked in some cases. The salt grains act as "setting places" on which water vapor condenses into raindrops.

Dear Mrs. K:  
Approximately how many eggs does the queen termite lay a day? We got hundreds under our front porch steps.

Sam

Dear Sam:  
The queen termite lay about 6,000 eggs a day.

Dear Mrs. K:  
I am drying herbs but do not know the herbs are dry enough for packaging. Will you please tell me?

Mr. Holt

Dear Mr. Holt:  
To test for dryness of herbs, put a few leaves in a tightly stoppered glass jar. If moisture or mold show up inside the jar, then the herbs are not dry enough.

There are so many things to learn about Nature. People want answers but sometimes are afraid to ask. Well, don't be. Just put your questions in an envelope or on a post card and mail it to me in care of this newspaper. (The Tribunal Aid, P.O. Box 921, High Point, N.C. 27261) and I will answer it in this column. Be sure to include your name and address. If you do not wish your name to be included when your letter is printed, indicate it in your letter. Keep your letters coming.

**To Participat In Health Fair**

RALEIGH-It was announced by Mr. H. Donnell Lewis, Supervisor of Audiology and Mrs. Linda C. Lewis, Supervisor of Speech Pathology, that the Shaw University Speech and Hearing Clinic will participate in the Wake County Health Fair to be held in the North Hills Fasion Mall, September 30, October 1 and 2.

The Speech and Hearing Clinic will man a booth on the lower level of the mall complete with testing materials, therapy materials, visual classroom aids, and faculty and students will be present to answer questions about the clinic.

In addition, the Speech and Hearing Clinic will present a videotape presentation of the activities conducted daily in the Speech

**Mattiwilda Dobbs, Lou Donaldson To Key Series**

GREENSBORO-Concert Series at A&T State University. In all, 10 national artists or groups will be presented in concert in the Richard B. Harrison Auditorium during the year.

The other artists will include the Chicago Saxophone Ensemble, the Chicago Brass Ensemble, Voice, Inc., the Hoffmeister Wind Octet, Vinie Burrows, and Sounds in Motion.

Other lyceum will include the annual Christmas and Easter concerts by the university choir, the university Opera Workshop, the annual Symphony Band's spring concert and 10 faculty recitals.

The initial concert will feature Miss Dobbs on Tuesday, Sept. 21, at 8 p.m. The Atlanta-born soprano has enjoyed an outstanding opera career both in this country and abroad. She is a regular performer with the Metropolitan Opera and will solo later this year with the Austin Symphony, the North Carolina Symphony and the Stockholm Symphony.

Natalie Hinderas, a professor of music at Temple University, has performed recently with the Philadelphia Orchestra, the Cleveland Symphony, the New York Philharmonic and the symphonies of San Francisco, Atlanta, Los Angeles and Chicago.

Francisco, Atlanta, Los Angeles and Chicago. Harpsichordist, Miss Frances Cole has been in music since the age of three. A founder and director of the National Harpsichord Festival, she studies harpsichord with the renowned Mademoiselle Denise Restout.

Basso, Willis Patterson was a winner of the Marian Anderson award for young singer in 1958. Since then, he has appeared frequently as guest soloist with the Detroit, Philadelphia, Boston, Richmond, New Orleans and Dallas symphonies.

Lou Donaldson, the jazz sensation who once attended A&T, is scheduled to appear during the university's Homecoming celebration Oct. 25-30.

The Chicago Saxophone Quartet, scheduled for a Nov. 9 concert, has attained international stature through its clinics and recitals.

Vinie Burrows, a monologist, is a native New Yorker and graduate of New York University. She made her

Broadway debut with Helen Hayes in The Wisteria Trees and has appeared in six other Broadway shows. She will present at A&T on March 1, "Walk Together Children," in prose, poetry and song.

The Chicago Brass Ensemble is probably the foremost musical unit of its type in the nation. The musicians have appeared with the Chicago Symphony and with visiting ballet companies and musical shows.

Brown's Funeral Directors in charge of arrangements.

Mrs. Annie Rebecca McComb Hill, 51, of Rt. 2, Randleman, died in Randolph County Hospital following hospitalization of two weeks.

**"What are those brown spots on my hands?"**  
You may think they're just big freckles, or sun spots. Maybe somebody told you they were "liver spots." But they're most likely age spots.  
Do you have to put up with age spots?  
The answer is No. You can fade age spots with Esoterica Medicated Cream.  
Esoterica works because it goes below the skin surface. Esoterica stops excess pigmentation, so the spot fades.  
If you use Esoterica daily as directed, you should see a clearer, more youthful-looking skin tone in six weeks.  
**Fade age spots with Esoterica.**
