Bennett College Home-Making Institute Closed Sunday

A stirring address by Miss Nannie H. Burroughs of Washington, D. C., and the awarding of certificates to war mothers climaxed the 17th annual Home-Making Institute of Bennett College, here Sunday.

Miss Burroughs spoke in Annie Merner Pfeiffer Chapel before a large audience, many of whom are war mothers. Each mother received a certificate of recognition. These were presented by Miss Barbara Ware, chairman of the Home-Making Institute Planning Committee.

The speaker told the war mothers that there were making one of the greatest contributions a human can make when they send men out to fight for freedom.

She expressed the firm conviction that this war is the best thing that could happen to the nation since it is the first time that men and women in all nations are desiring to make the world a place to live in.

"The Negro is determined to make the world a larger place for democracy and a smaller place for race prejudice, she asserted.

Miss Burroughs was introduced by Mrs. Ada Jarnigan of Warrenton, N. C., president of the N. C. Congress of Parents and Teachers.

Miss Laura Allston made a report on the Home-Making programs of the week which were held at Shiloh Baptist Church, Charles Moore School, Browning Chapel Church, and East White Oak School.

The college choir sang under the direction of Orrin Clayton Sutherland, II, and Miss Janet White sang "Ava Maria." Rev. J. E. Brower read the scripture and the Rev. R. C. Sharpe said the benediction.
