## The Food We Eat

By ROSA T. WINCHESTER.  
Healthful, Economical Foods.

Proudly we save food, money and time. These days are a challenge to any woman to balance her menus as well as her budget in order to help her family enjoy the foods they should eat.

Try this one:

**15 Minute Vegetable Soup.**  
1 1-2 cups leftover cooked diced vegetables,  
1 1-2 cups soup stock,  
1 1-2 cups water or vegetable liquor

2 tablespoons diced onions  
1 cup cooked tomatoes  
Salt, paprika.

Combine vegetables with stock. Add water or vegetable liquors and onions. Cover, simmer for 10 minutes, add tomatoes. Season and cover. Serves 4-6.

Note: Any combination of left over cooked vegetables may be used: Green beans, cabbage, carrots, turnips, peas and celery. The greater the variety the more delicious the flavor.

If you use uncooked vegetables, simmer in stock for one hour. Add tomatoes and seasoning.

The direct relation of music is not to ideas, but to emotions—in the works of its greatest masters, it is more marvelous more mysterious than poetry.

During the 1942 African campaign, a British signal cypher "Rommel's panzers retire" was decoded as "Rommel's pants are on fire."

## Negro Women Of Guilford County End Red Cross Drive

The Negro women of Guilford county today turned over to the Red Cross officials \$179.06 as their contribution to the war fund drive. Fourteen of the sixteen communities reported according to Rosa T. Winchester, Negro County Agent. With two more clubs to report it is hoped that the amount will exceed \$200.00.

This marks the first organized effort among the rural population of the county in this type of program and served as a good test of the efficiency of the neighborhood leader system in effect in the county.

Stokesdale neighborhood led the county with twenty-seven dollars collected by Mrs. James Hill, neighborhood leader, with Mt. Zion running second with \$21.00, Mrs. Coy Isley, leader.

Other neighborhoods in order are:

Collins Grove, \$20.76; Oak Springs, \$18.00; Gibsonville, \$11.60; Summerfield, \$11.15; Goshen, \$11.00; Guilford, \$11.00; Whitsett, \$11.00; Jackson, \$9.60; Brown Summit, \$7.75; Pleasant Garden, \$6.25; Wadsworth, \$5.10; Bethel \$4.90; Florence, \$2.00; Sedalia \$1.95.

## CARVER HALL OPENS DOORS IN WASHINGTON

George W. Carver Hall, a resident hotel in Washington, D. C., for Negro men employed in government war work, and the first of its type to be constructed in this country, was opened Thursday, April 1.

The project was built by the Defense Homes Corporation of the Federal Public Housing Authority and was named for the eminent Negro scientist, the late George Washington Carver of Tuskegee Institute.

Located at Second and Elm Streets, N. W., the project will accommodate 205 Negro men in 159 single and 23 double rooms. Occupancy is restricted to government workers who have come to Washington within the last 12 months, and who are certified as war workers by their employing agencies. Rentals are \$7 per week for single rooms and \$6.50 per week per person for double rooms. Meals will be served at Lucy Slowe Hall, one block away, a similar type project for Negro women workers.

Facilities in the new project include running water in each room with shower and bath units provided for every four persons. Reading and writing rooms and reception and recreation areas are also available.
