

**A. & T. COLLEGE
BEATS SMITH;
SCORE 47-15**

Paced by the touchdown manufacturing of ell-hipped Charles Weaver A. and T. College ran rough hshod over the Smith University Bulls from Charlotte to the tune of 47-15 on the Memorial stadium turf Thanksgiving afternoon.

Victory in the annual Thanksgiving day classic between the two elevens gave the Aggies a record of six triumphs in seven starts this season. They close the schedule at Camp Butner, in a charity tussle December 4.

After being tackled behind his own goal to give Smith a safety and a two-point lead in first quarter, Weaver dashed off scoring gallops of 30 and 45 yards in the second quarter to put the game on ice for Coach Chas. DeBerry's charges. This third tally came in the fourth quarter when he raced 66 yards to paydirt.

Chris Bryant stole the show for the Aggies, however, when he intercepted a Smith pass two yards behind his own goal and streaked 102 yards for the touchdown which sent the Aggies into a 7-2 first quarter lead.

Les Wright blocked a Smith kick and recovered in the Smith end zone for another Aggie score, while Peter Woods plunged two yards for the final A. and T. touchdown in the fourth quarter. Hubert Doub kicked five of the seven extra point tries.

Duke Brown plunged 6 yards for Smith's first touchdown in the third quarter and Ivory kicked the point, while Pass completed a 28-yard scoring aerial to Brown in the fourth period for Smith's second score.

A. and T. held a 20-2 lead at intermission and never was extended after going ahead. A crowd of several thousand witnessed the contest.

REDUCE BEAN PRICES

Reductions up to two cents a pound in wholesale and retail prices for dry edible beans will result from recent OPA action reducing the price spread between country shipper and country shipper and wholesaler. Country shipping point prices remain unchanged.

FILM ACTRESS PINS FOOD CHART ON KITCHEN WALL
Lena Horne, Metro-Goldwyn-Mayer film player, places the official "Food Fights for Freedom" pin-up chart in the kitchen of her own home to emphasize food's importance to the war. Retailers are distributing the chart, one of the several Food For Freedom Month informational helps, to inform every American about food's importance to the war. Chart's plea is "TO SPEED OUR BOYS HOME" by producing more food, saving more food, sharing and "playing square" with our food.

**INSTITUTIONAL CHURCH
HOST TO BAPTIST
COUNTY UNION**

On Sunday, November 21, the United Institutional church was host to the Greensboro Unit of the Guilford County Baptist Training Union and Sunday School Union. The churches affiliated with this local organization — The United Institutional, Providence, Shiloh, Gethsemane and New Zion were well represented.

Members of the churches meet monthly for the purpose of planning and demonstrating means of enriching their present programs in Baptist Training Unions and Sunday Schools. To carry out this idea, the United Institutional church gave a demonstration on "A Model B. T. U. methods for teaching a specific class was illustrated by Mrs. Jackson, teacher of the B. T. U. group."

The local unit being keenly aware of Professor W. N. Nelson's interest in and contribution to the development of religious education in the city and state, appointed him religious adviser of the organization.

Mr. T. D. Wooten is president of the unit.

SERVIC EBUTTONS

Plastic gold-coated lapel buttons for wear on civilian clothing, to signify honorable military service on and after the declaration of a period of national emergency, September 9, 1939, are being distributed to issuing agencies throughout the country, the War Department has reported. The insignia on the button is an eagle within a circle, the wings extending beyond the circle's edge. Persons whose Army service has been terminated under honorable conditions will be permitted to wear the insignia.

Mr. and Mrs. Eugene Walden spent Thanksgiving in Ashboro, visiting Mr. Walden's parents.

Holiday Cheer

Among the multiple virtues of line and beauty which distinguish the knit suit of star Fran Carlon are long wearability, non-wrinkling quality and a genius for holding shape. Yarns used are wool, cotton, rayon and aralac, each serving a specific purpose. Prophetic of the increasing popularity of cardigans, the suit of gray and true blue herringbone pattern is joined in mitered perfection to give soft line to the bound coat edges and upper pockets.

**SUSPEND SLAUGHTER
QUOTAS**

To facilitate marketing and slaughter of record numbers of livestock produced by U. S. farmers, slaughter quotas (for civilian consumption) until further notice have been suspended by the War Food Administration.

SEED POTATO CEILING

Maximum prices for domestic and imported "certified" seed potatoes have been set by OPA at \$1 above established ceilings for U. S. No. 1 tablestock potatoes, and for "war-approved" seed potatoes at 50 cents above tablestock potatoes.

WOOL RESTRICTIONS

With only two exceptions WPB has lifted all restrictions on use of raw wool. Finer grades of alpaca may not be used except for military purposes, and only carpet wool and mohair may be used for floor coverings.

URBANE

Reigning dress-up fabric of frosty days is economical and luxuriously-fegling velvet. Ermine tails give special significance to the rich and flattering black suit designed for singer Jessica Dragonette for luncheons and afternoon concert wear. Perennial symbol of elegance, velvet requires practically no care; simply brush and hang over a bath tub of steaming water and the rich pile rises to its original beauty.
