### Wide Range of Scout Activities Mark Scout Anniversary

A letter from Eagle Scout Arthur Eugene Hood marked the beginning of the celebration of the 57th anniversary in the Weatherby District, General Greene Council, Boy Scouts of America. This letter written by Airman 1st Class Hood was sent to Mr. George Herring, Scoutmaster of Troop 442, Grace Lutheran Church and circulated to congregations for Scout Services Sunday, February 13th. Having been read at the 11:00 a. m. service at the Grace Lutheran Church it was carried by M. B. Graeber and LTC. H. G. Parker to special services to the First Baptist Church, Randleman, N. C., Shiloh Baptist Church, Greensboro, and Mt. Zion A. M. E. Church in the Mt. Zion Community. The letter has a message for all persons who may be considering leadership positions for boys.

The letter is as follows:  
CMR Box 2908  
Beale AFB, California  
January 31, 1967

Dear Mr. Herring,  
"On my honor I will do my DUTY to GOD and my COUNTRY. . ." These words have become a significant part of my life, and truly meaningful. Often, Mr. Herring while sitting here reflecting on my past days at home and in my community, I think of you, and other adults like you. Consequently, I felt a great impulse to send a writ your way to express my great appreciation, and to inform you of the many things that you did to help me. Above all, however, I would like to send my immense THANKS to you, the church officials, Pastor, and friends for making the Boy

Scouting Program possible in my Church.

As incredible as it may sound sometimes I wish I could trade in all 23 of my Merit Badges into honor ribbons for my Country, and that my Eagle Medal was the Purple Heart. This thought stems from your instilling in me the type of dedication and determination conducive to military discipline. All of this I learned in Scouting and proper channeling from mother, you and other interested adults.

I would like to point out some of the similarities of my Scouting Career and the Military Service.

Some of my most treasured memories are my dear days at Camp Carlson under your leadership. I thought those days were rough, but you taught us how to overcome those hungry, and sleepless nights. This I salute you for. The best thing that Scouting taught me is that of Discipline. This is really needed to take the world as it is. When I was in basic training at Lackland AFB, Texas, I didn't have any trouble in that you taught me to stand tall, not only when I had my uniform on, but 24 hours a day.

Do you remember when you use to say, "You boys don't just be Scouts every Thursday night from 6-7, but 24 hours a day." Well, my Squadron Commander says this, "You Gents are not Government Property 0730 to 1630 hrs. (7:30-4:30) but 24 hours a day.

I am glad I had a good Scouting background because it has truly helped me. The promotion

### Dr. Daniel S. Malekebu Finishes Mission For African Hospital

The equipment of the Piedmont Hospital is going to Malawi, Central Africa!

Two weeks ago a down payment of 5% was made on the equipment and we have until April 1, 1967 to raise the balance of the \$22,000 purchase price, the Carolina Freight Carriers of Cherryville have offered to help with the freight to port. Some offers have come in to help crate this equipment. This vision is coming true.

This equipment will be used under the direction of Dr. Daniel S. Malekebu of the Providence Industrial Mission, an all African Church of more than 100,000 members. Dr. Malekebu cabled today "THOUSANDS OF SUFFERING PEOPLE WILL BE BLESSED THROUGH THIS HOSPITAL". Rev. H. Douglas Oliver of Bir-

mingham, Alabama will be going with this hospital to administer it. Mrs. Geraldine Conway of Lucasville, Ohio, will be issued for all gifts. Rev. Joe Petree will be handling the funds and writing the receipts. Mr. Cy Moffit of Greensboro will be heading the committee to complete this project. Any of these persons may be contacted for further information.

We desire to make this a community-wide project, a real people - to - people movement from the people of this area to the people of Central Africa. Perhaps you know of persons whom you could interest in this project. There is a growing number of local people who are prepared to make a brief presentation to Churches, Clubs, Prayer Groups, Classes, Etc. These can be contacted through
