Veterans' Corner

EDITOR'S NOTE: Veterans and their families are asking thousands of questions concerning the benefits their Government provides for them through the Veterans Administration. Below are some representative queries. Additional information may be obtained at any VA office.

Q—I was discharged at the end of December 1968 after two years service. I had a tooth filled about six months before I got out of service. The filling has fallen out. Can I get the tooth repaired by the Veterans Administration?

A—Yes. Dental work on a one-time completion basis may be provided veterans with service-connected but noncompensable dental conditions which existed at time of separation provided application is made within one year after discharge.

Your application for VA dental treatment should be sent to the nearest VA regional office, where your records are on file, before the end of December 1969.

Q—I am not eligible for a G.I. home loan since my husband, who died of a service-connected disability in 1967, was in service after World War II but before the Korean Conflict, from January 1948 until January 1950.

Am I entitled to educational assistance from the Veterans Administration under a new law that went into effect last December?

A—Yes, you are entitled to VA educational assistance of up to 36 months as the widow of a veteran who died as the result of military service. However, your education must be completed by Nov. 30, 1976.

Your husband's military service could have been at any time from the Spanish-American War to the current Viet-Nam era. Wives of veterans who are permanently and totally disabled as the result of military service are also entitled to this benefit, which amounts to a maximum of \$130 month for full-time training.

Contact your nearest VA office for additional information and assistance concerning this program.

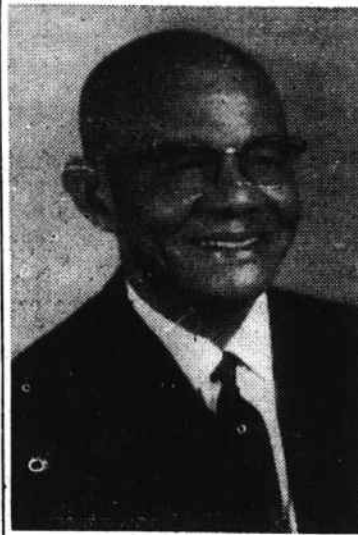

Q—I was recently discharged from the Army and have applied for a certificate of eligibility from the Veterans Administration for a G.I. home loan. The home I'm interested in is still under construction and has been inspected periodically by the VA.

Will the VA appraisal or guaranty of my loan constitute a guaranty as to the structural soundness of the home?

A—Neither the VA appraisal on the home nor the guaranty of your loan will constitute a guaranty that the house is prop-

INSTITUTIONAL CHURCH PRESENTS "MAN OF THE YEAR"

MAN OF THE YEAR

Mr. Edward Robert Jones was recently declared Man Of The Year at United Institutional Baptist Church upon the occasion of Men's Day Observance. He reported a total of \$128.00.

After attending the Public Schools at his home, Wake Forest, North Carolina, Mr. Jones came to Greensboro in 1923 and entered the Agricultural and Technical College of North Carolina, where he studied Brick Masonry and later did further study at Southern College.

In 1929, he was married to Miss Emma Lee McRae, who is now deceased. To this union was born three children. For thirty eight years, he served as Chef Cook at Greensboro College. He has been very active for more than thirty six years with the National Boy Scout Movement. He is a member of the General Green Council and Institutional representative of his church. Recently he was given the Order Of The Arrow

award for unselfish and outstanding service to scouting.

Mr. Jones is a Mason, member of St. John Lodge No. 12, Prince Hall affiliation. He has been a Deacon of the United Institutional Baptist Church for more than fifteen years, and a loyal supporter of the total program of the church. Now retired, Mr. Jones resides at 837 King Street, but he is still interested and active in all religious and civic movements for Human Betterment. We are happy, therefore to salute Mr. Jones as the Man Of The Year for 1969-1970.

As a hobby, he loves to write. Below is a sample of some of his work.

WHY GOD MADE MAN: AND FOR WHAT PURPOSE:

Paul did not make his decision that love is the greatest gift (Summum-Bonum) until he had contrasted love with everything that man thought was great:

The only thing (Love) was able to stand the test.

Everything save love will pass away: God not only made man for His glory, but love as well. When man learns to love, everything will be in order and there will be peace on earth.

Paul was not making a grandstand decision nor were their thumbs down as if he were a Gladiator: So man should meditate then be true to himself.

If we are not afraid to work, we will be afraid not to work: I not afraid to love, we will be afraid to hate.

Knowledge nor skill will determine the worth of man, it is the service of man that counts. God made man to serve with all he has, After all, "All Belongs To God."

BLACK LEADER SPEAKS BEFORE JAYCEE GROUP

Reverend Leon Sullivan, Philadelphia's dynamic "black capitalism" advocate last week urged U. S. Jaycees to "stop criticizing what is happening in the poverty streets of our communities and begin working to provide new wealth, new productivity and new jobs for the poor." Reverend Sullivan addressed the opening luncheon session of The United States Jaycee Board of Directors Meeting which was held here, March 20-22.

"Human problems in our communities are becoming more difficult and complex every day," stated Dr. Sullivan. "Great untapped and ever growing human resources are being daily overlooked and grossly undervalued, as far as their potential is concerned. We must merge our white power and black power into American power so that

the benefits of democracy might one day reach every house and lift the life of every poor soul."

Reverend Sullivan is pastor of the Zion Baptist Church, with one of the largest congregations in the city of Philadelphia. His widely acclaimed "black capital" successes are detailed in a newly-published book, entitled "Build, Brother, Build."

Editor's note.

I want to say "Thank you!" to all my friends, neighbors, customers and business associates who sent cards and flowers and remembered to think of me and wish me well during my recent stay in Cone Hospital.

—J. F. Johnson
