## Smith Picks Brown, Bynum For Sports Posts At A&T University

Matthew Brown, a native of Canton, Ohio and former Ohio State football star, Thursday was appointed assistant to the athletic director at North Carolina A&T State University here.

Brown, who has been serving as assistant football coach and head tennis coach, will serve as administrative assistant to Albert Smith, athletic director.

Smith also named Thomas Bynum as head athletic trainer.

"I am happy to have both of these men to join our athletic staff," said Smith. "I am sure they will make a valuable contribution to our growing program."

Brown, a graduate of Canton McKinley High, first came to A&T in 1949 under former head coach Bill Bell, also a former Ohio State great. Brown left A&T in 1953, but returned to the staff last year.

## NATIONAL FRATERNITY LAUNCHES DRIVE TO AID ALL-BLACK MISSISSIPPI TOWN

Fayette, Miss. — A national college fraternity last week launched a campaign aimed at easing the financial problems facing this small town headed by a black mayor and an all black city council.

The Omega Psi Phi Fraternity, with national headquarters at Washington, D. C., and which has more than 300 local chapters with nearly 20,000 members in principal cities across the nation, is supporting the effort.

Ellis F. Corbett, associate director of Planning and Development at A&T State University, Greensboro, N. C., and national president of the Fraternity, came here on Saturday to present a check for \$500 to the City of Fayette. Receiving the check for Fayette was Negro Mayor Charles Evers.

When Evers, brother of slain rights leader Medgar Evers, was elected mayor of Fayette last July, he found the small com-

munity had municipal debts totaling more than \$8,000.

The city badly needs money to help pay its public service employees and to provide the basic community facilities. Shortly after taking office last July, Mayor Evers and his five-man, all-black City Council, announced a nation-wide appeal for funds.

In making his presentation, Corbett told Evers the Omegas, whose membership totals more than 20,000, consider their gift a challenge to inspire other individuals and organizations to give.

"The Omegas," he said, "hope to conduct a nation-wide campaign among their membership to raise funds needed by Fayette for operations during the balance of the calendar year."

The effort is to be conducted by the fraternity's Social Action Committee, headed by Samuel C. Coleman of Newburgh, N. Y.
