To Entertain Patients At L. Richardson Hospital

A voluntary committee is called for Sunday, November 30, 1969 at the L. Richardson Hospital. The purpose of the meeting is to make plans to entertain patients during the Christmas holidays.

Here-to-fore, a voluntary committee, headed by J. F. Johnson, was very successful in having school glee clubs and dramatics clubs, as well as churches and civic organizations, perform at intervals of day and night to entertain the patients. Presently, we have a more expanded edify, well-surrounded by a lawn, where the performance could be given inside or outside.

If any organization desires to make a sacrifice by sharing with the shut-in, please meet with this committee on Sunday, November 30, 1969 at the L. Richardson Hospital. It will meet at 3:00 P.M. or call The Future Outlook at 273-1758 or the Hospital to inform us as to whether or not you're interested in working with us.

Miss Triplin Honored For Outstanding Work

A Recognition Dinner was held in honor of Miss Linda Triplin, in the Fellowship Hall of Shiloh Baptist Church, on Tuesday, November 11.

The Young Family

WHAT YOU'VE GOT COMING FROM SOCIAL SECURITY

By CHARLES H. MYERS
District Manager

"Social Security for Young Families" is one of the most recent booklets put out by the Social Security Administration. It should be on the family bookshelf of every home, just as the social security program itself should be a part of the financial planning of every American family.

In recent columns on what young people are asking about social security, I have discussed questions from young, unmarried people, students, and young workers in general who are concerned about getting their money's worth from the program. It is the young worker with a growing family who stands most to gain from the

program if the tragedy of death or disability should occur. The following questions from such persons naturally reflect an interest in what will become of their widows and young children if something should happen.

Q. My doctor told me that because of my heart condition I may not be able to return to work for a year or longer. He said I should apply for my social security after I have been off 6 months. Should I come in as soon as the 6 months are up?

A. You should come in right now. Even though we can't pay you until you have been off 6
