

**BEGONIA GARDEN CLUB ACTIVITIES**

A Christmas workshop was conducted by Mrs. W. F. Ilman, an accredited Garden Council Judge, Wednesday, Dec. 3, for the Begonia Garden Club members in the home of their president, Mrs. Donnell Pearce, 1001 Llano Place at 8:00 p.m. Members brought materials to be used in making wreaths and other Christmas decorations.

Mrs. Ilman gave a very informative demonstration, with suggestions as to where materials could be purchased or gathered. She also displayed Christmas decorations she had made, and gave each member valuable instructions on the arrangements they were making. The group learned a great deal from her suggestions and instructions.

Members present were Mesdames Manley Royal, Everett Graves, James E. Burnett, Samuel Headen, Mildred Reed, James Tonkins, Jr., Dorsey Hayes, William I. Peterson, Donnell Pearce and Charles O. Gill.

Refreshments served by the hostess were very appetizing.

The members had reason to be proud in that they were awarded a silver trophy Dec. 1, at the Council of Garden Clubs annual Christmas party for having received the largest number of blue ribbons on flower arrangements in the artistic division of the Flower Show sponsored by the Council, for three consecutive years. This is the second trophy the club has won in this category.

**PUBLIC EXHIBIT**

Windsor Community Center will have an exhibit of items made in the Sewing, Ceramics and Arts & Crafts classes on Sunday, Dec. 21, 1969 from 2:30 to 4:30 p.m. The public is cordially invited to attend. This program is under the supervision of Mrs. Essie Williamson and Mrs. Isabella Davis of the Windsor staff and ceramics is taught by Mrs. Annie Jones of High Point, N. C.

**KODAK SELECTS CODE OF A&T; HE'S ALL-AMERICAN 2ND TIME**

For the second straight week, Merl Code of North Carolina A&T has been named to an All-American team.

Code, an outstanding cornerback for the Aggies, has been selected for the 1969 Kodak All-American team by the American Football Coaches Association.

Last week, Code, a native of Seneca, S. C. was named on the Associated Press Little All-American team.

Players from 22 different "college division" schools all over the nation have been named to the 1969 Kodak All-American team by the American Football Coaches Association.

Quarterback Terry Bradshaw of Louisiana Tech and halfback Jack Maitland of Williams head up the offensive backfield for the squad, selected by AFCA members in balloting following the 1969 collegiate football sea-

son.

Rounding out the backfield are fullback Leon Burns of Long Beach State and halfback Manuel Britto of Northeast (Oklahoma) State. The team was announced today by William Murray, executive director of the AFCA. Players will receive Kodak All-America Awards at their schools.

Bradshaw, considered a leading prospect for early selection in the professional football draft early in 1970, was a member of the Kodak All-America in

1968 as a junior. Maitland, 6-foot, 208-pound speedster who broke all rushing and scoring records in Williams' history and Clovis Swinney, 6-3, 233-pound defensive tackle from Arkansas State, also were named to last year's squad. The team is chosen annually by the AFCA, and sponsored by Eastman Kodak Co. of Rochester, N. Y.

Eleven offensive and defensive players were chosen for the team — all 22 from different schools. In addition, 22 players

were selected for honorable mention.

**JOURNEY'S END**

The long trek over, the wise men came at last to Bethlehem, where they found the new King. And there they came and worshipped him.

For us, too, the journey of another year ends at this Christmas Season and as in years past, we come again to worship the new King and to rededicate our lives to Him.

May the Peace and Joy of this rededication be yours at this Season and in the seasons to come.

*From all of us*  
**Greetings**

May Christmas Joy, like a song, bring happiness all day long  
May its sparkle and cheer remain with you throughout the year.
