Participants of United Institutional Baptist Church Baby Contest

One of the bright points in the life of Ward Five as one of the local groups of the United Institutional Baptist Church occurred last week on the lawn of its leader, L. A. Wise, 616 S. Benbow Road, as a Baby Contest featuring three male babies sponsored by members and friends of the organization.

The contest raised more than 13 hundred dollars during the month of May, 1970, and brought the total amount for the Ward up beyond its annual quota for

the year. In the order of their standing as shown in the picture, from left to right the babies were: Ellis Worthy, with \$408.45 sponsored by Messrs Mamie Harris and James Pearce, was the second placed baby. The first placed baby, shown second in the picture, raised \$504.31, was Charles Woddell Woodard II, sponsored by Mrs. Sarah Jennings and Mrs. Floris Whitehead, Acting Ward Leader and co-ordinator of activities for the Ward and the third place baby, John Kenneth Lee, II, with

\$404.20, sponsored by Messrs Gladys Minor and Rebecca Watson.

Even though L. A. Wise, the Ward Leader was seriously ill during the period of the contest, the inspired co-operation of the Committees of the Ward and friends of the Church and the Community and the help of God enabled the Ward to make the contest a great success so that the total contribution of the Ward for the year was more than \$2,500.00.

FOUR STUDENTS AT A&T STATE TO RECEIVE GULF SCHOLARSHIPS

Four North Carolina A&T State University students will receive full scholarships from the Gulf Oil Corporation next fall.

According to Vance E. Gray, director of student financial aid, four students in the University's Department of Mechanical Engineering will receive the Gulf Honors Scholarships.

He said the grants will include tuition, fees and books up to \$1,500 and are renewable if the students maintain satisfactory progress in their programs of study.

Beginning next year, an incoming freshman will be selected in each subsequent year so that Gulf will have four continuing scholarships in force at A&T each year.

When the program was set up last year, Gulf had planned to introduce one Honors Scholarship a year to a freshman so that by 1972 and in subsequent years four students would be benefiting from this program.

But, according to E. L. Butcher, secretary of Gulf's Aid to Education Committee, "Since it now appears that there is a very serious need for scholarship support on campuses, Gulf has de-

cid to speed up the procedure by making all four scholarships available immediately."

The North Carolina A&T State University students will be among 98 receiving Gulf grants in 26 departments of 23 colleges and universities in the United States.

A&T GETS STERNBERGER GRANTS

A&T State University has been awarded \$1,600 for scholarships by the Sigmund Sternberger Foundation of Greensboro.

According to William H. Gamble, director of admissions at A&T, the scholarships will be awarded at the beginning of the fall term. The Sternberger funds are for residents of North Carolina, especially Greensboro or Guilford County.
