"VOICES FROM HOME"

On Wednesday, Dec. 2 thru Friday, Dec. 4, relatives of men and women in the military service stationed overseas may record messages to them at the Red Cross Chapter House, 1100 Church St., according to Mrs. Frank B. White, Chairman of "Voices From Home" Project of the Services to Military Families Dept. Hours Wednesday and Thursday are 10 a.m. to 9 p.m. and on Friday from 10 a.m. to 4 p.m., with appointments to be scheduled at 30 minute intervals.

The Voicewriter Division, Thomas A. Edison Industries, has donated a Voicewriter to the Red Cross. The Earl of Shaftsbury Chapter, Colonial Dames XVII Century, has made a donation for the discs and mailing envelopes.

"Relatives wishing to make 'Voices From Home' recordings are invited and urged to make appointments now by calling the Red Cross, 273-4481, between 9 a.m. and 5 p.m., except Saturday and Sunday. We suggest that family members planning to send a message to the same person come together. Also, it will be helpful if persons make notes of what they want to say on the recording before coming to the Chapter House", said Miss Mary Horney, Director of Services to Military Families.

"Last year, 113 voices — 79 adult, 34 children — were recorded with the assistance of Red Cross Volunteers who are being scheduled by Mrs. White and Staff. They were sent to servicemen and women in Vietnam, Thailand, Africa, Korea, Germany, Okinawa, Japan, the Phillipines and ships at sea.

"From reports families received from their sons and husbands overseas, we know how much these 'Voices From Home' mean to them. We hope that families of servicemen and women in this area will take advantage of this opportunity again this year.

Be sure to make an appointment".

This is another of the Red Cross Services made possible through community support of United Fund of Greater Greensboro.

RED CROSS LAUNCHES FUND APPEAL TO AID 3,000,000 PAKISTANS

A nationwide appeal for funds to provide life-giving help for some three million Pakistan victims of what may be the worst disaster in world history has been launched by the American National Red Cross, according to Joseph L. Berry, Chairman of the Greensboro Chapter.

In announcing the urgent need for funds, American Red Cross president George M. Elsey advised Red Cross Chapters that reports of the devastation and suffering coming out of the Ganges River Delta section of East Pakistan exceed anything his organization or the League of Red Cross Societies in Geneva have ever before encountered in a nature-caused catastrophe.

"The ultimate death toll is beyond calculation," Mr. Elsey said, "and I was advised by League Secretary General Henrik Beer from Geneva that up to three million survivors in the disaster area are in desperate need of food, shelter and emergency medical aid. All resources of the world Red Cross organization and other relief sources will be required to prevent this from becoming an even greater catastrophe through starvation and the spread of disease."

Mr. Elsey said all American Red Cross chapters are being asked to serve as a rallying point for the American people's generous fund contributions to this life saving relief operation. Fund gifts, with checks made payable to American Red Cross marked for Pakistan relief, should be sent or taken to local Red Cross
