### A Prayer For The New Year

Give us, O God, the vision by which we can see Thy love in the world in spite of human failure. Give us the faith, the trust, the goodness in spite of our ignorance and weakness. Give us the knowledge that we may continue to pray with understanding hearts, and show us what each of us can do to set forth the coming of the day of universal peace. Amen. (First prayer from space — Apollo 8 Christmas Eve, 1968.)

### Words of Gratitude:

From Mrs. Mamie Hooks — for kindnesses shown her during the holiday season.

### A Tribute

The A.M.E. Church regrets the death and great loss of Bishop George W. Baber, Presiding Bishop of the Second Episcopal District, who passed Dec. 26 in Washington, D. C. As a great servant of the Lord, in the church, no one has served the church with more devotion, or with such fearless courage. He was a champion of all causes he believed to be right. As a great leader and a man, he built a temple of honor and of virtue, and of unselfish devotion to duty. We pray the Almighty God may grant him eternal rest.

## Veteran's Corner

Editor's Note: Veterans and their families are asking thousands of questions concerning the benefits their Government provides for them through the Veterans Administration. Below are some representative queries. Additional information may be obtained at any VA office.

**Q** — I am a disabled veteran receiving additional compensation for my 17-year-old son who recently enlisted in the Navy. Must I report his enlistment to the VA, and will VA stop the additional compensation because of his enlistment?

**A** — The answer to both questions is "no." The additional compensation will continue until your son reaches 18, regardless of his military service.

**Q** — My son received 36 months of training under the Dependents Educational Assistance Program and has now been ordered to active duty. Will he still be eligible for educational assistance under the GI Bill?

**A** — Yes. If your son serves on active duty at least 181 days and receives an other than dishonorable discharge, he will be eligible for additional education assistance. A veteran may use up to 48 months when he is entitled under two or more programs, but all time used under laws administered by the VA will be deducted from this maximum entitlement.

**Q** — My father was a World War II veteran, and after his death I received \$40 per month death pension. I am now a 22-year-old Vietnam veteran enrolled in college under the GI Bill. Am I still eligible for the pension benefits in addition to my veteran benefits?

**A** — Yes, if you have never married, and meet the income limitation of \$1,800 maximum, you will be eligible for the \$40 pension benefit until you reach age 23. Your GI Bill payments, in excess of the amounts expended for training, are considered income.

**Q** — My father has a service-connected gastritis condition which, for several years, VA rated him at 60 per cent disabled. Since the condition prevents him from being employable, am I eligible for an educational allowance as a child

of a disabled veteran?

**A** — No. The veteran must be rated by the VA as permanently and totally disabled. However, since you indicated that your father may be unemployable, he should submit proof of this fact and request his claim be reopened. If he should be rated 100 per cent disabled based on individual unemployability because of his disability, you might then become eligible.

You must notify your social security office if you are drawing widow's benefits and remarry.

# Now you don't have to choose between calories and taste

On the one hand, there's regular milk. Which is slightly fattening but which tastes good.

On the other hand, there's low-calorie milk. Which is thinning but which doesn't taste so good.

Introducing the third hand: United Dairies' Hi-Vi.

Hi-Vi is 98% fat-free, not 99% fat-free like some of the other low-calorie milks.

It's the first low-calorie milk that takes away calories without taking away taste.

United Hi-Vi.

Why should dieters have to suffer?
