### "Mother of The Year" and Family

The above photo shows the family that was present at the program honoring Mrs. Roberson, son; Mrs. Anderia B. Roberson, daughter-in-law; Mrs. E. A. Belle, sister, Sallie Mae Roberson as "Mother of the Year". Reading from left to right are: Roselyn V. Roberson, daughter; Robert M. Roberson, husband; Mrs. Sallie M. Roberson, "Mother of the Year"; Reginald P. Roberson, son; Mrs. Anderia B. Roberson, daughter-in-law; Mrs. E. A. Belle, sister, who endorsed Editor Johnson's program and gave splendid assistance to him in carrying out the program. She aided in keeping arrangements for this program a secret until Thursday night before.

## MRS. SALLIE MAE ROBERSON HONORED AS "MOTHER OF THE YEAR"

Mrs. Sallie Mae Roberson of 2130 McConnell Road, was honored as "Mother of the Year" for 1971 on Friday, May 7, at Dudley Senior High School by the Future Outlook Newspaper.

Mrs. Roberson is the wife of Robert M. Roberson and the mother of five children, four boys and one girl. She was honored because in her words "being a mother of five children has never been a chore; it is a privilege I thoroughly enjoy. Mother's may complain but not one would trade their duties for anything else." Being a wonderful devoted mother to her children has made Mrs. Roberson a wonderful example for any mother to follow. Being unselfish she does not expect full credit for the admirable job that has been done but shares it with her husband, her church, her community and the children's instructors. She states "having started our family early in life

Robert and I have tried to grow with our children and teach them to help themselves as much as possible by choosing and making wise decisions. We realized that each one is a different individual and should be treated as such and that they should be taught to respect other people as individuals. My church (St. Matthews United Methodist) and the community has been a great inspiration in our family's life. The children's instructors are there to teach and guide. This I think we were able to instill in each of our children which helped us to grow with them. We tried to show our children that we all have an obligation to God and our community".

Of the five children Robert III is the oldest. Having completed four years of service in the Air Force, he is now attending college in Virginia. Richard

### 2,000 Expected To Attend Annual Summer Sessions at A&T

More than 2,000 students are expected to attend summer sessions at A&T State University, according to J. Neil Armstrong, director.

Armstrong said the summer session, which begins on June 14, will also include a number of special workshops and institutes. The regular summer session will end on Aug. 13.

A six-week session will be held from June 14 to July 23 and a three week session is planned for July 26 to Aug. 13.

Special workshops include a federally-sponsored institute for high school teachers of biology, institute for high school and junior high school music students, and an industrial arts workshop on "The World of Construction," a new curriculum project.

Additional information may be secured from Armstrong in the Summer School office.

Armstrong also announced that A&T will conduct a special
