United Community Services Asking For \$1,630,983 In 1972 Campaign

Individuals and corporate citizens of the Greater Greensboro Area will be asked to contribute a total of \$1,630,983 this fall in the 1972 United Campaign for the Greater Greensboro Area.

Plans to seek this amount to provide support during 1972 for the member agencies of United Community Services were announced today at a meeting at the Central Branch of the YMCA.

Joining in the meeting for the goal announcement were members of the campaign cabinet, the presidents and executive directors of the member agencies and the UCS executive committee.

The goal was announced jointly by Carson Bain, president of United Community Services, and W. C. Borer III, general chairman of the campaign.

The goal is an increase of \$146,092 or 9.83 per cent over the goal of the 1971 campaign conducted last fall. It is an increase of \$144,593 over the \$1,468,390 raised in last year's campaign.

The UCS Board of Directors set the goal based on recommendations from the Budget and Agency Relations Division, a group of volunteer citizens which reviews requests for financial

ing service rendered to this organization and beauty culture industry.

The address was given by Mrs. Mamie L. Foster of Birmingham. Placques were given seven Sorors.

A fashion show was held featuring local, national and international models. The Convention closed with the dawn breakfast on Thursday.

Chapters attending from North Carolina were: Psi Tau Mu, Durham; Delta Chi Eta, Raleigh; Nu Phi, Greensboro. Sorors from Greensboro were: Carrie Pettiford, HESSIE HAYES, Florence Norwood, Elnoma Tarp-ley, Bernice LeGette, Ida Bell Wilkins, Ethel Graves, and Wilhelmina Headen was delegate.

support. Requests for 1972 came in at \$1,645,437, but this figure was reduced to \$1,519,433 during the annual budget review sessions conducted by the Budget and Agency Relations Division.

In addition to the recommended allocation figure of \$1,519,433, the goal includes \$30,000 for the UCS Community Enrichment Program and a 5 per cent shrinkage figure of \$81,550 to offset uncollectibles.

The Community Enrichment Program provides funds for UCS agencies and other community agencies to conduct special innovative programs. It is designed to provide "seed money" for the obtaining of funds from other sources.

Two new UCS member agencies will be included in the campaign for the first time — the Drug Action Council and the Greater Greensboro Diabetes Association.

Although the Drug Action Council was not included in last year's campaign, it has been operating since November 1, 1970 as a UCS member agency. It was originated by the UCS Board of Directors and initially funded through a special allocation.
