MRS. ROSA T. WINCHESTER

HOME ECONOMIST RETIRES AFTER 33 YEARS OF SERVICE TO COUNTY

Approximately 550 friends and officials gathered at the Agricultural Center on Burlington Road to pay tribute and best wishes to Mrs. Rosa T. Winchester on her retirement for years of service as a Home Economics Extension Agent in Guilford County for 33 years. Mrs. Winchester loved people and gave many days and hours beyond a work day, that families in Guilford County might enjoy some of the comforts of living. People were people to Mrs. Winchester, where ever her service was needed she always found time to council, teach, and guide families in meeting their needs by helping them to make timely decisions themselves. Many families in Guilford County made the comment at the reception, "Every thing they said about her is the truth. She knew how to make you do the things you needed to do for yourself and your family. She always made you feel like you were somebody."

Mr. Dale Montgomery, Chairman of the Board of County Commissioners, in his tribute to

Mrs. Winchester, commended her for her skills and techniques in working with all races of people long before integration was fashionable or mandatory by law. Her willingness to serve her fellowman knew no prejudices where people's needs were concerned.

Mrs. Winchester's immediate state and local supervisors also stated during the reception, "You are one who epitomizes the fine qualities Extension wishes to portray — personal commitment, professionalism, leadership and competent educational background."

"Guilford County and North Carolina are enriched by your having served them." Mrs. Winchester never met a stranger, her winning personality opened many doors for the Extension program in Guilford County.

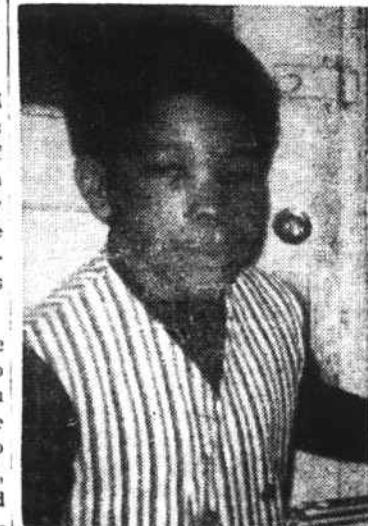

The women with whom she worked, said "She always made it clear in her teaching, that learning is something you must want to do yourself. No one can learn for you."

Many asked Mrs. Winchester (Continued on Page 4)

The Future Outlook Star Salesman

David Wendell Anderson, a newsboy for The Future Outlook, is a pretty busy young man. He is an honor roll student in the seventh grade at Allen Junior High School, and a regular attendant at Mt. Tabor Sunday School and Bible Club. The weekend of March 19, 1972 was spent by Boy Scout Troop No. 363, of which David is assistant Patrol Leader and Librarian, at the Fort Bragg Military Reservation. The troop, which is made up of 50 members under the leadership of Clyde Smith of the Pincroft Road, was introduced on a small scale to army life. Some high lights of the tour included a trip to the Post Museum where the boys saw all types of army equipment and weapons. They explored a helicopter and the Post Radio Station. All the boys were greatly pleased when they were allowed to make a radio call back home. To climax the weekend, the troop made a stop-over at Pope Air Force Base.

The five other members of the Mt. Tabor Community who

David Wendell Anderson

accompanied David on the trip were: Dickie Mebane, son of Mr. and Mrs. Earl Mebane; James England, son of Mr. and Mrs. John England; Antonio and Alasandro Linney, sons of Mr. and Mrs. Ray Linney; Lionel Stroud, son of Mr. and Mrs. Ervin Stroud. David Anderson, son of Mrs. Johnny Anderson of Brooklyn, N. Y., makes his home with his grandparents, Mr. and Mrs. John H. Davis, 2115 Jones Road in the Mt. Tabor Community.
