

WHISKY RUNNERS SENT TO ROADS BY ELKIN JUDGE

Were Arrested Sunday Afternoon With 45 Gallons of Booze

HAD FAST CHASE

Elkin, March 21. — (Special)—Sentences of six and eight months to the roads respectively were meted out in recorder's court Tuesday to Burnette Richardson and Buck Reavis following their arrest east of Elkin Sunday afternoon by Guy Duncan, state patrol sergeant, who found 45 gallons of whisky in their automobile.

Two girls, also occupants of the liquor car, who gave their addresses as Winston-Salem and their names as Victoria and Lois Mason, were placed under suspended sentences of six months in jail and ordered to get out of the county.

Testimony revealed that both men defendants had prison records. Richardson, whose home is at Traphill, admitted having served a year in a federal prison for manufacturing whisky, while Reavis, who is from Winston-Salem, only recently was released from the roads where he had served 12 months for handling whisky.

According to Sergeant Duncan he stopped the car in which the liquor was found, near Klondike farm in order to have the occupants clean the mud from the front license plate. He said the car was brought to a stop after it had passed him and then was set in motion after he had started walking towards it.

Starting in pursuit, he said he trailed the machine to Elkin, where it turned east, and only succeeded in forcing it to a stop several miles out on the Mount Airy highway. It was then the whisky, contained in nine five-gallon containers, was found.

Reavis and Richardson had little to say in defense. However, Reavis stated that the girls were in no way to blame.

The automobile in which the liquor was found was ordered confiscated and sold.

ELKIN MAN KILLED BY NEGRO SUNDAY NIGHT; KILLER HELD

Lodged in Dobson Jail To Wait Preliminary Hearing

FUNERAL TUESDAY

Elkin, March 21. — (Special)—Funeral services for Walter Sale, local man who was shot and killed at a North Elkin filling station Sunday night about 9:30 o'clock, were conducted Tuesday at 11 o'clock from Pleasant Ridge Methodist church. Revs. Richard Day and Ernest Ward, the latter of Madison, officiated. Interment was made in the church cemetery.

Sale was shot through the heart by Tal Dowell, Winston-Salem Negro, who is now being held in jail at Dobson awaiting a preliminary hearing on a charge of murder. He was arrested in Winston-Salem early Monday morning by Winston-Salem police and held for Surry county officers.

According to those who witnessed the tragedy, the shooting occurred after words had passed between Sale and the Negro. It was said that Sale and companions had stopped at the filling station and were standing around when the car containing the Negro drove up. Due to the manner in which two cars were parked it was necessary for the Negro to back his car between them to the gasoline pump, where he gave instructions to put five gallons of gas in the tank.

It was said that in putting the gasoline into the car's tank that it overflowed and that the Negro alighted to see what was the matter. It was at that point that Sale, who was said to have been drinking, said to the Negro: "Hay, nigger, how about a little drink?"

Dowell was then alleged to have called Sale profane names which prompted Sale to advance upon him with drawn fist.

Witnesses stated that Dowell was holding the money for the gas in his left hand as Sale approached. Then as the white man came closer Dowell was alleged to have whipped out his pistol from his right rear pocket and to have fired point blank at Sale's chest.

As the shot rang out, Sale slumped to the ground with a gasp. The Negro was then said to have hastily handed over the money for the gasoline, jumped into his car, and departed.

According to reports, Dowell went to Traphill, where he was reared, and leaving the car in which he was traveling, prevailed upon a friend to carry him back to Winston-Salem. A telephone conversation with a Twin City Sentinel reporter disclosed that he was arrested when he reported to police that his car had been stolen, the police already having been notified to be on the watch for him.

It is supposed that the Negro figured his license number had been taken at the scene of the crime and in reporting the car stolen hoped to clear himself of any implication in the crime.

Dowell was carried from the Winston jail to the county jail at Dobson Monday afternoon by Sheriff John D. Thompson and Deputy Crawford Hurt, after he was positively identified as the man who killed Sale.

A preliminary hearing will probably be given the Negro here in recorder's court next Tuesday, J. N. Freeman solicitor, said Tuesday.

The deceased was the only son of Mrs. Myrtle Sale, of Elkin, and had been employed for several years by the Chatham Manufacturing company. It was well thought of by his fellow employees and by all who knew him.

Surviving are his wife, Mrs. Carmen Murray Sale and a small daughter, Betty Ann.

Brew To Be Legal After Fifteen-Day Period Expires

WINE ALSO LEGAL

Washington, March 22.—With smiles, the Roosevelt administration today formally authorized sale of beer.

The bill legalizing both the amber brew and also wine of 3.2 per cent alcoholic content became law with the signature of President Roosevelt at 2 p. m.

"And I hope you got the smile at the end," he remarked to photographers who recorded the signing in the cabinet room at the White House executive office.

Wearing a broad grin himself an hour earlier, Vice President Garner had affixed his signature to the legislation to send it from Congress to the White House.

Fifteen days hence—or after midnight on April 6—the beer may be sold in the 14 states permitting it. The midnight hour applies to the eastern time belt. Sales may begin at 9 o'clock that night on the Pacific coast, for instance.

But the prohibitionists were already at work tonight on plans to halt the beer flow by court action. Some were considering seeking an injunction. Others were preparing to speed the case to the Supreme court for a ruling whether it violated the constitutional mandate against sale of intoxicating beverages.

A stolen automobile, the property of T. W. Smith, of Alleghany, which was taken from his garage near Teapot Dome December 6, was recovered at Rearing River Wednesday by Corporal W. B. Lentz, of the state highway patrol.

The machine was in the possession of W. W. Tilley, who had purchased it from a man by the name of James Brewer, who is alleged to have been the one who stole the car. Mr. Tilley had in his possession a bill of sale signed by Brewer, and had secured a title from Raleigh enabling him to buy license and giving him a new motor number, the original number having been battered out by Brewer who represented the machine as a junk car which had been wrecked in Virginia.

Warrants charging Brewer with breaking and entering, and larceny of an automobile, have been sworn. Brewer, it is understood, is now serving a two year sentence on the roads for abandonment and non-support, having been sent up from Wilkes county at the last term of criminal court.
