This paper desires correspondence
from all sections of the county.

The past few days has been sim-
mer weather.

Beauty is goodness made visible.
Then our hills manifest the good-
ness of the great Gardener, who
planted them with laurel and rhodo-
dendron.

We should be glad to receive a
copy of the old song which has the
following words:

"To the pines, to the pines
Where the sun never shines,
You'll shiver when the cold winds
blow."

A bullfrog stands no chance when
Cleve Nichols looks over the sights
at one. The writer and Mr. Russell
enjoyed a few hours sport watching
Cleve plug the big ones. And a
pair of frog legs for breakfast is
not to be scoffed at.

The goodly number of citizens in
town Monday bespeaks the interest
people have in county affairs. There
was an atmosphere of good fellow-
ship and hopefulness in the crowd.
Not once did we hear depression
mentioned. The New Deal has
turned our faces toward the dawn.

The writer of this article is a
lover of dogs—good dogs, but when
a dog reverts to habits of the wild
and becomes a killer of domestic
animals, that dog, in our opinion,
ceases to have any value to human
society. Sheep are valuable and
should be protected from the depreda-
tions of dogs turned desperados.

A great financier once gave this
rule for success in business: Put all
your eggs in one basket and then
watch the basket. That rule may
work for a great corporation, but it
does not seem to apply to the busi-
ness of farming. The man who de-
pends upon one crop rarely ever be-
comes so successful as the farmer
who practices diversification of
crops.

An income through the summer
is very useful to a farmer. To pro-
duce first of all enough foodstuff
for home use and then sell the sur-
plus makes for successful farming.
The farmers of Alleghany are to be
commended for their good showing
in diversified farming.

FARM NEWS

By W. B. COLLINS, County
Agent

Farmers who wish to sell their
lambs through the pool this year
should sign the contracts at once.
Only the lambs which are signed up
will be sold through the pools.

There were 25,514 pounds of
wool sold through the pool this year.
It is generally understood that we
will receive 32c per pound for our
wool. For the last four years the
Pool price of wool has been higher
than the outside price at the time
of selling.

The two largest crops of wool sold
this year were those of Mr. J. F.
Cox with 845 pounds, and Mr. J. H.
Waddell, with 686 pounds. These
men refused to take the low price
offered last year and they had two
crops of wool to sell this year.

Lawyer Crouse has a three acre
field of certified Irish potatoes grow-
ing on his farm on Peach Bottom
Mountain. This is the finest field
of potatoes that I have seen growing
in the county.

Fred Andrews used 16 per cent
superphosphate on part of his field
of corn and 16-4-4 fertilizer on the
rest of the field. Where the 16-4-4
fertilizer was used the corn is more
than twice as large as where the
16 per cent fertilizer was used. Mr.
Andrews also has a fine set of clover
on his oat land where a crop of
clover was turned under for corn
last year and the land was turned
back for oats this year.

Turkey Knob News

Mr. and Mrs. Glenn Delp, who
have been living with Mr. Delp's
father for some time, have moved
into a home by themselves.

Mr. W. H. Johnson, of Cana, N.
C., spent last week with his daugh-
ter, Mrs. J. B. Osborne.

Mr. and Mrs. Rob Gambill have
moved to the Carlyle Higgins place
near Sparta.

Mr. and Mrs. John Delp and sons,
John Henry and Elton, spent Sunday
with Mrs. Delp's brother, Mr. Everett
Handy.

Wanda Lee, the little daughter of
Mr. and Mrs. Harry Lee Young, has
been ill for the past week.

Mr. Charlie Gibson is in Winston-
Salem on business this week.

Cox's Chapel News

The Epworth League gave an in-
teresting program Sunday night. Bob
Walls was leader. The playlet,
"Honoring Fatherhood and Mother-
hood" will be given June 25, at 10
o'clock, at which time we will have
the Decoration Services. We had
planned to give the program on
Father's Day, but some of the char-
acters were absent, so we postponed
it. Everybody is invited to attend.

Miss Gena Sue Gambill was visit-
ing her sister, Mrs. Burton Osborne,
several days last week.

Mrs. Howard Kennady has return-
ed from the Elkin Hospital and is
now visiting her mother, Mrs. Wal-
ter Young, at Volney, Va. She seems
to be improving slowly.

Mr. C. S. Wall, who has been
erecting some buildings for Kelly
Cox at Comers Rock, Va., spent the
week-end at home.

Mr. and Mrs. Charlie Boyer and
son, Braidy, were dinner guests of
Mr. and Mrs. Bob Walls Sunday.

Mr. Kyle Ward has visited his
sister, Mrs. Loy Phipps, of Indepen-
dence, Va., recently.

Several people from this commu-
nity attended the Democratic Con-
vention held at Independence June 3.

Mr. and Mrs. Frank Wells and
family were Sunday guests of Mrs.
Wells' father, Mr. N. C. Cox.

Miss Mazy Cox, Mrs. DeEtte Hal-
sey, and Mr. Joe Cox were visiting
friends and relatives below the
mountain last week.

Misses Ava Ruth and Ella Jean
Halsey were guests of Mrs. DeEtte
Halsey and Joe Cox last week. They
were surprised by a party given in
their honor. Everyone enjoyed the
occasion.

Elder J. A. Moxley is expected to
be at Elk Creek church at the regu-
lar meeting hour on Saturday, June
11.

Miss Lydia Pruitt, of Laurel
Springs, has been ill for some time.
We hope she will soon be able to
be out again.

Elders Williams and Roberts will
be at Elk Creek next Saturday and
Sunday.

Mrs. Burgess Entertains Bridge Club

On last Thursday evening Mrs. T.
R. Burgess was hostess to the Ladies
Bridge club at her home on Main
street. A delightful game of con-
tract was enjoyed by those present,
after which Mrs. Burgess served a
delicious salad and sweet course.
Following the refreshments, Mrs.
Burgess presented Mrs. Hugh Choate,
recent bride, with a beautiful
boudoir lamp. The high score price,
an attractive tray, was won by Miss
Betty Fowler.

NOTICE

All persons owing me book ac-
counts for last year must come in
immediately and settle either by cash
or note. We positively must close
the old accounts so we are expecting
you to take care of this without fur-
ther notice.

JAY HARDIN.

Attention Mr. Farmer and Poultry
Raiser! Now is the time to get
your baby chicks. We are hatch-
ing 5,000 per week. For the next
ten days we are booking orders
at \$8.00 per 100 for blood-tested
State Accredited big healthy liv-
able chicks guaranteed to live and
grow. We also handle a full line
of Purina Poultry feed and have
the best display of brooder and
henhouse furniture ever displayed
in this section of the state. We
have recently installed a Mam-
moth All-Electric Buckeye Incu-
bator for custom hatching. Bring
us your eggs and we will hatch
them for you at 2c per egg for
full tray of 120 eggs. Phillips

WOMEN'S CONTRIBUTION TO THE MOTOR CAR

There is some doubt that people care to hear very much about what goes on under the hoods of their cars.

The driver knows that "driving qualities" are not accidental; they are put there. How the manufacturer creates or evolves those results may not interest him. He judges entirely by the results he gets in driving.

Well, it is not essential to talk "shop"; let us talk Results. Smoothness. Drive the Ford V-8 and you will find that the engine runs with surpassing smoothness, due to its design and the extra precise methods of its manufacture.

Power. There it is, 75 horsepower (we could say 80) at the drive-shaft for the driver's use. With less weight to pull around, the mettle of this car—its life-like response—is rather remarkable.

Economy. Our V-8 develops more power on a gallon of gasoline than any car we have made. Mileage is partly a matter of individual driving, but under average conditions the Ford V-8 does 17 to 20 miles a gallon. Of course, car economy is not only a matter of fuel. Ford V-8 has that too, but it is also economical in the complete sense—initial cost, operation, maintenance.

Appearance. This is woman's contribution. The motor car must not only be useful, but also good-looking. View the Ford V-8 and you will not need our comment on its fine appearance.

Comfort. This also is woman's concern. In 30 years she changed the motor car from a wagon to a coach. Comfort is a quality made up of numerous ingredients. There is no comfort without a quiet, smooth-running engine. We have all the other ingredients too,—color, good taste, quality, ease, safety, roominess and convenience.
