RESOLUTIONS OF RESPECT

Whereas, on September 29, 1934, The Supreme Architect of the Universe, hath seen fit to remove our beloved Sister, Mrs. John R. Halsey, from the cares and troubles of a transitory existence on earth to a state of eternal duration up in that celestial Grange Hall above, where the Supreme Grand Master presides. Sister Halsey was about 37 years old, and was a Charter member of Piney Creek Grange No. 797. She was a member of the Methodist church; she had given her heart to God in early life and had lived a beautiful Christian life.

Resolved: First, That in the death of Sister Halsey, the state and county has lost one of its best citizens, the church a true Christian and good member, and her neighbors a good friend.

Resolved: Second, That Piney Creek Grange No. 797 has lost one of its best members, and that this Grange will greatly miss our worthy Secretary and her active interest in the welfare of the Grange and the great interest that she took in Piney Creek community.

Resolved: Third, That the members of this Grange extend to the bereaved family their sincere and heartfelt sympathy in their sad bereavement, and that these resolutions be spread upon the minutes of this Grange, and that a copy be sent to the bereaved family, and that they be published in the Alleghany Times and in the Skyland Post.

Fraternally submitted,
MRS. GROVER ENOPIER
MRS. R. E. BLACK
MRS. MACK WOODIE

ed until 11:30, with a 2-hour intermission for lunch, then running to 5:30 in the afternoon.

She spoke interestingly of the actors and of Anton Lang, who is over 70 years old. Up to 1850, she said, the village did not make expenses on the play, but that in 1900 they were offered a big price to bring it to America, but they have refused to ever take the play anywhere else. They have also had offers to make moving pictures of it which they refused.

Mrs. Jordan said that among the outstanding scenes is the one where Mary met Jesus at Bethany; of the two thieves hanging on the cross for 25 or 30 minutes, and the last tableaux of Alois Lang, the Christus, creating the impression of Jesus suspended in the clouds, of his dark skin and dark eyes, and the host of people in white kneeling in front of him. This scene, said Mrs. Jordan, reminded her of the quotation, "I, if I be lifted up, will draw all men unto me."

Dr. G. A. Martin, pastor of the Baptist church, is to conduct the devotional exercises, and Oden Joines is to discuss the subject: "The Importance Of Teaching People Habit Formation."

"The Kind Of Citizen A Teacher Should Be Out Of School" is to be the subject discussed by Arnold Jones.

Miss Edna Warden is to use for the subject of a discussion "Character Training Through Education."

Following this Ray Ellison will deliver an address, and the program will be brought to a close with an address by R. Floyd Crouse.

SALUTATORY

Rev. Cecil G. Hefner, who was appointed pastor of the Sparta Methodist charge at the recent session of the Western North Carolina conference held in Greensboro, has the following to say to the people of this community upon coming into their midst as pastor of one of the churches of Sparta and the churches that comprise the charge:

My family and I are very happy to be residents of Sparta. We have been admiring the beautiful scenery in and around Sparta. We feel you have a town worthy to be proud of. We deeply appreciate the kind welcome that has been extended to us by many people here. We hope that we may be of some service to the community, and if we can serve you in any way we want you to feel free to call on us.

I wish to announce that the Sparta charge will hold its first quarterly conference in the Sparta Methodist church at 7 p. m. on Sunday night, November 25. The public is cordially invited to attend, and I am especially eager for the officials of the church to be present. Rev. A. C. Gibbs, the presiding elder of the Mount Airy district, will preside.

Ehringhaus To

Borah to the effect that relief money was being squandered in a number of states, Governor Ehringhaus said this was not the case in North Carolina. He said it was being properly expended and every dime being made to count.

For the nation as a whole, 11.6 cents out of every dollar goes for administration. Ehringhaus said the cost of administration in North Carolina will be less than this.

While here today the Governor made a series of calls at the departments. He called by express to Secretary of Interior Ickes the gratitude of North Carolina for his decision in locating the parkway over the North Carolina route.

Sparta High School News

On Friday morning of last week the sixth grade, directed by Mr. McCann, gave a very clever chapel program.

An outstanding event of the school's observation of Book Week was the address given Tuesday morning by Superintendent J. M. Cheek on "Books." He commended the school's plan for supplementing its library and cited several theories and philosophies concerning books that have been held by outstanding scholars

and he advised that the students begin assimilating some books for their individual bookshelves.

In closing he said that the type of books people read is largely indicative of their intellectual attainments.

Here's the ABC of COLDS-CONTROL

A To Help PREVENT Colds
At the first sneeze or nasal irritation, quick!—a few drops of Vicks Vapo-Rub. Its timely use helps to prevent many colds—and to throw off colds in their early stages.

B To Help SHORTEN a Cold
At bedtime, just rub on Vicks VapoRub, the mother's standby in treating colds. All through the night, by stimulation and inhalation, VapoRub fights the cold direct.

C To Build RESISTANCE to Colds: Follow the simple rules of health that are part of Vicks Plan for Better Control of Colds. The Plan has been clinically tested by practicing physicians—and proved in home use by millions. (You'll find full details of this unique Plan in each Vicks package.)
