Care of Brooms
With a little care a broom will last a long time. Here is one precaution to take: Make sure that your broom is dry after it has been used in water. If you put it away with the handle down (which is the best way), and it is not dry, the water will work its way down to the handle and reach the wire. The wire will rust and the handle will fall out.

Court Defines Speed Limit

Motor speed law was thus summed up by Lord Justice Scrutton in the Court of Appeals, London, in connection with a court case arising as the result of a motor car accident, says the Canadian Press: "This court has said three times, and I want it to be generally known, that if you are going at such a speed that you cannot pull up within the limits of your vision, and an accident happens, you are in the wrong."

Watch Your Kidneys!
Be Sure They Properly Cleanse the Blood
YOUR kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as nature intended—fail to remove impurities that poison the system when retained. Then you may suffer nagging backache, dizziness, scanty or too frequent urination, getting up at night, swollen limbs, feel nervous, miserable—all upset. Don't delay! Use Doan's Pills. Doan's are especially for poorly functioning kidneys. They are recommended by grateful users the country over. Get them from any druggist.

Shirtwaist Frock Simple and Chic

It seems that girls will be girly this season—even in the field of sports! And most welcome, too, the return to femininity in clothes. That flattering quality is most often achieved through the softness of gathers (as you see in this yoke) or easy freedom of line (like the pleated sleeve with its casual air). But every important tailored detail is retained making the shirtwaist frock so universally becoming! So how trim the collar—how neat the front closing—how simple the pocket. Make yours of sport silk or cotton. Pattern 2212 is available in size 14, 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38, 40 and 42. Size 16 takes 3 3/4 yards 36 inch fabric. Illustrated step-by-step sewing instructions included. SEND FIFTEEN CENTS (15c) in coins or stamps (coins preferred) for this pattern. Write plainly name, address and style number. BE SURE TO STATE SIZE. Address orders to the Sewing Circle Pattern Department, 243 West Seventeenth Street New York City.
