

Easy to Make Pajamas
Please Sleeping Beauty

PATTERN 2362

You're sure to want several pairs of these adorable pajamas when you find how easy they are to make. Why not have your week-night ones of some pretty cotton or flannel which launders easily? Then you just must have one pair in a luscious shade of blue or tearose silk, for gay week-ends away from home, and your "nightly" wardrobe isn't complete without one pair of dress-up pajamas of some heavier material for lounging or lazing, particularly if you're a Campus Queen. The tailored shirtwaist top may tuck into the bell-bottom trousers which "get the hang of it" from a triangular yoke and snug elastic waistband.

Pattern 2362 is available in sizes 12, 14, 16, 18, 20, 30, 32, 34, 36, 38 and 40. Size 16 takes 4 yards 86 inch fabric. Illustrated step-by-step sewing instructions included.

Send FIFTEEN CENTS (15c) in coins or stamps (coins preferred) for this pattern. Write plainly name, address and style number. BE SURE TO STATE SIZE.

Address orders to the Sewing Circle Pattern Dept., 243 West Seventeenth St., New York City.

Likes His Shoes
John was very proud of his new shoes and displayed them to everyone he met. At night when his mother went to tuck him in she found him wearing the new shoes in bed.
"It won't hurt them, will it?" asked the child anxiously.—Indianapolis News.

Preferred Silence

Orchestra Leader—Yes, sir, we play request numbers at almost every meal.

Marriage Is Insurance
Against Most Everything
A married man lives longer and is less likely to end up in the workhouse than a bachelor. So says Edwin S. Burdell, professor of economics and social science at the Massachusetts Institute of Technology.

The professor is further of the opinion, based on his stories of the subject, that married men commit few crimes and less often go insane. The unmarried man has less at stake in the community because he has a lower status. Marriage is the best insurance in the world—insurance against crime, insanity, poverty and premature death.

I FEEL FINE

Mothers read this:

A CONSTIPATED child is so easily straightened out, it's a pity more mothers don't know the remedy.

A liquid laxative is the answer, mothers. The answer to all your worries over constipation. A liquid can be measured. The dose can be exactly suited to any age or need. Just reduce the dose each time, until the bowels are moving of their own accord and need no help.

This treatment will succeed with any child and with any adult.

Doctors use liquid laxatives. Hospitals use the liquid form. If it is best for their use, it is best for home use. And today, there are fully a million families that will have no other kind in the home.

The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It is a doctor's prescription, now so widely known that you can get it all ready for use at any drugstore.
