**Importation**  
"Are you willing to take up arms for your country in case of emergency?"  
"I am," said Senator Sorghum, "provided the emergency is strictly of a local character. I'm not prepared to regard war as such a high-priced luxury that we ought to consider importing it from abroad."  
**Tasted Her Cooking**  
Catty Quest.—Pardon me, but I noticed at the dinner table that your husband smacks his lips quite loudly when he eats. Believe me, that's one thing my husband does not do.  
Catty Hostess.—No, I suppose not, dearie. I've tasted your cooking.  
**Beauty and Science**  
"Do you think blonds are more beautiful than brunettes?" asked the studious girl.  
"I have no opinion," said Miss Cayenne. "Science has done wonders, but I am not convinced that beauty can be made to depend on hair conditioning."

## Household Questions

Bits of leftover jelly are good used for stuffing baked fruits, topping baked or steamed pudding or spreading over chops or roasts just before serving.

A stick of wax and a brush of oil will do much to take the curse of furniture scratches. The wax will fill in the scars and the oil will darken the wax.

When buying sheets always allow at least 10 inches on each side and top and bottom, as the bed will never stay neat with sheets that are too short.

Preserves of all kinds, more especially if they are in glass bottles, should be stored in a dark place. They quickly deteriorate in flavor if kept in a light place.
