Curse of Progress

A Collision to Him
The meaning of the word "collision" was being explained by the teacher to the class.
"A collision," she said, "is when two things come together unexpectedly."
Immediately a small boy jumped up and said: "Please, teacher, we've had a collision at our house."
"Whatever do you mean?"
"Well, mother just had twins."

Twenty-Eight to Go.
Dentist's Daughter: "Have you asked papa for my hand?"
Candidate: "No. But I've tried four times. Every time I step into his office I lose my courage. Today I allowed him to pull my tooth as an excuse."
—Arcanum Bulletin.

Looking 'Em Over
"Do you think a woman's place is in the home?"
"Certainly," said Miss Cayenne, "but a man's place is to get busy and get rid of the idea that home is merely where the mortgage is."

THE WORLD AT ITS WORST

Going to the Party?

WHERE is the party? At Mrs. Smith's on Walnut street and it looks awfully much as though the principals were caught by the candid camera. Luckily, however, they're perfectly groomed for their parts:

Introducing Janet.
Janet in her jumper (Pattern 1996) is asking Mother which glassware to use. Her plaid blouse in taffeta makes her feel very dressed up. Mother chose this style because the many possibilities for change make it a wardrobe rather than a dress and she knew it would be easy-to-make. Your own little girl may have this same ensemble in sizes 6, 8, 10, 12, and 14 years. Size 8 requires 1 1/4 yards of 39 inch material for the jumper and 1 1/2 yards for the blouse.

Mother, the Hostess.
Mother is the perfect hostess, calm and assured, because she knows her all-occasion frock with its sprightly crisp apron (Pattern 1220) is becoming and appropriate. For house wear she made up this model in print. She is wearing here the crepe version and knows that it will be delightful for later on in cool black and white. It comes in sizes 34, 36, 38, 40, 42, 44, and 46. The dress and apron in size 36 require 5 1/2 yards of 39 inch material. The apron alone requires 1 1/2 yards.

And the Guest.
The guest just arriving is wearing her trigest Sew-Your-Own. She likes it because the puffed shoulders and swing skirt make her hips look smaller. The collar is young and the sleeves stylish. This frock is especially chic in silk crepe alpaca or one of the lovely new prints. For your own daytime distinction, then, why not make up Pattern 1205? It is available in sizes 14, 16, 18, and 20.

Calotabs Help Nature To Throw Off a Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fourth night if needed. How do Calotabs help Nature throw off a cold? First, Calotabs are one of the most thorough and dependable of all intestinal eliminants, thus cleansing the intestinal tract of the germ-laden mucus and toxins. Second, Calotabs are retic to the kidneys, promoting elimination of cold poisons the blood. Thus Calotabs the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds. Calotabs are quite economical—only twenty-five cents for the fifty package, ten cents for the package. (Adv.)
