

THE SUNNY SIDE OF LIFE

Clean Comics That Will Amuse Both Old and Young

Fashions at Vacationland

HURRAY for dear old Johnnie Two-Weeks! He's recently given the nod to these three sweet young laborers and now they're off reaping the rewards. Yes, they're vacationing — and how! But, of course, Sew-Your-Own had them dressed right up to the hilt.

Miss M, picturesque blonde, above, left, knows what glamour is and how to have it. That's why she chose this softly feminine frock with its swirling skirt and delicately slim waist. You should see her of an evening in the outdoor terrace. She's a picture in black gossamer chiffon trimmed with white satin. And to think, she made it all herself!

Miss B, above, center, and center of attraction at the Surf club, has everything under perfect control as she strolls along the boardwalk. With not a care in her pretty head, and lots of streamlining in her natty little sports dress, she walks with confidence and pride.

Miss Y, the sports enthusiast at the right, says that her three piece ensemble is so very, very

and practical she wears it almost to the exclusion of her other frocks. Her idea is to soak up as much sunshine as possible, and that's pretty easy to do when she wears the halter and shorts sans dress.

The Curse of Progress

Too Late
A small boy was celebrating his birthday with a party in the garden. He had a quarrel with one of his friends, Billy, however, and did not invite him to the party. His mother insisted that Billy should be invited, and finally prevailed upon her son to do so. The little host called upon his former friend. "Will you come to my garden party tomorrow?" he asked. "It's too late now," answered Billy. "Last night I prayed for a blizzard."

No Bench
A salesman suffered a slight accident to his car. Unable to find a monkey wrench among his tools, he went to the nearest farmhouse and inquired of the Swede owner: "Have you a monkey wrench here?" "Naw," replied the Swede. "My brother bans got a cattle ranch over there; my cousin got a sheep ranch down there, but too cold for monkey wrench here."

Hot Weather is Here— Beware of Biliousness!

Have you ever noticed that in very hot weather your organs of digestion and elimination seem to become torpid or lazy? Your food sours, forms gas, causes belching, heartburn, and a feeling of restlessness and irritability. Perhaps you may have sick headache, nausea and dizziness or blind spells on suddenly rising. Your tongue may be coated, your complexion bilious and your bowel actions sluggish or insufficient.

These are some of the more common symptoms or warnings of biliousness or so-called "torpid liver," so prevalent in hot climates. Don't neglect them. Take Calo-tabs, the improved calomel compound tablets that give you the effects of calomel and salts, combined. You will be delighted with the prompt relief they afford.
