POP—Advice to an Artist

The Curse of Progress

Idea of the Month

Inventor—Sir, I have here an idea for making automobile fenders so they can't be bent out of shape in collisions.
Auto Engineer—That's impossible unless you make them out of rubber, and we've tried that.
Inventor—Sir, my idea is altogether different. I propose to make them out of glass.
Necessary Asset
"Why do you spend so much time on the crease of your pants?" asked the rural father of his college son.
"It is very important, dad, not to wear baggy trousers," he said.
"Important, is it? Did you ever see a statue of a famous man who didn't wear baggy trousers?"—Automobilist.
Red, White and Blue!
Pretty Young Lady—Doctor, please tell me what to do for my stomach.
Doctor—Diet!
Pretty Young Lady (after a moment of hesitation)—Er—what color, doctor?

TRAY SERVICE

A Trio of Triumphs

THE way to day-in, day-out chic for the woman who sews is shown in today's attractive new three-way plan. It goes deeper than the surface, you see, in the presentation of a sleek new slip. Ah, and it gives great thought to the surface, as you can't help but note in the two wing-side models. **Spicy New Model.** As shipshape as a Parisian streamline fashion and, in its own role, as important—that's the little number at the left above. It does wonders to give one that up and doing feeling that's handy to have around the house in the morning. Make this frock in gay cotton: shantung, print, gingham, or crash.

A Congenial Slip. Beneath a well-groomed surface hangs a perfect fitting slip! That's an old and honest notion and one Sew-Your-Own abides by religiously. Today's five piece version is as easy to put together as it is congenial to your comfort and outward superbness. Make two while you're about it: one with a plain top for everyday, the other with a bit of frou-frou for dress-up occasions.

Deft Design. The "girl in the little green hat" wears a dress with many tucks in this her latest picture. It is the dress for you, Milady, to star in at familiar Fall festivities. Deftly but definitely it gives you emphasis where you want it; soft pedals worry-areas. Wool is smart material and it fits this frock's personality to a T. Let's sew and be seen places this Fall. Okay?

HEADACHE REMEDY

STARTS WORKING IN SECONDS

THE REASON BAYER ASPIRIN WORKS SO FAST
Drop a Bayer Aspirin tablet into a tumbler of water. By the time it hits the bottom of the glass it is disintegrating. This speed of disintegration enables genuine BAYER Aspirin tablets to start "aching relief" of headache and similar pain a few minutes after taking.

All people who suffer occasionally from headaches ought to know this way to quick relief.

At the first sign of such pain, take two Bayer Aspirin tablets with a half glass of water. Sometimes if the pain is unusually severe, one more tablet is necessary later, according to directions.

If headaches keep coming back we advise you to see your own physician. He will look for the cause in order to correct it.

Simple Way to Avoid Dust When Shaking Grates and Taking Ashes From Pit

THERE is an easy way to keep dust from sifting through the cracks of the ashpit door when shaking furnace grates. Quite a few readers have asked me how it can be done, and I'm sure many more of you will be interested. Here's how:

of the furnace. Only a short length of pipe will be needed. In it have small holes drilled and cap the free end.

Just before shaking the grates, turn on the spray. It will throw a fine mist over the whole ashpit, wetting down the ashes as they drop through the grate openings and settling the dust immediately. Then remove the ashes from the ashpit. They will be sufficiently wet to prevent the dust from rising and settling in the cellar.

for WOMEN only

CARDUI is a special medicine for the relief of some of the suffering which results from a woman's weakened condition. It has been found to make monthly periods less disagreeable, and, when its use has been kept up awhile, has helped many poorly nourished women to get more strength from their food. This medicine (pronounced "Card-u-ee") has been used and recommended by women for many, many years. Find out whether it will help you by giving it a fair trial. Of course, if not benefited, consult a physician.

MAGIC CARPET

It doesn't matter what you're thinking of buying—a hat-pin or a baby grand, a new suit for Junior or a set of dining-room crockery—the best place to start your shopping tour is in an easy-chair, with an open newspaper. The turn of a page will carry you as swiftly as the magic carpet of day Arabian Nights from one end of the shopping district to the other. You can rely on modern advertising as a guide to good values, very low comparative prices and stylish fabrics and finishes, just as though you were standing in a store. Make a habit of reading the advertisements in this paper every week. They can save you time, money and worry.
